Beginning with the matinee on Monday, August 16, Bert Lytell and his company at the Baker Theater will present for the first time here in stock, Madeline Lucette Ryley's "An American Citizen," one of the brightest and best comedies in Nat Goodwin's repertoire.

The very title of the play indicates a dashing, brilliant and breezy comedy, full of the ginger and snap which are component parts of every American citizen. Since the initial presentation by Mr. Goodwin, it has always been a favorite with those theatergoers who love a clean, wholesome American comedy, and its popularity has never diminished.

Although principal characters in the play are Americans and the plot is woven about an American citizen, three of its four acts are laid on foreign soil and the chief incidents and adventures occur abroad.

The usual matinee will be played on Monday, Wednesday, Friday and Saturday.

SS. Peter and Paul.

The degeneracy of some persons was shown by the brutal murder of Anna Schumacher at Holy Sepulcher Cemetery last Saturday. The culprit, when found should be dealt with summarily. The funeral of Miss Schumacher took place Wednesday morning at SS. Peter and Paul's church.

Chautauqua Week at Catholic Summer School.

Cliff Haven, August 13.

This is the high tide week at the Catholic Summer School. Every field of activity has been at its height since the opening of the week on Sunday. As a grand prelude to the present week, Mr. Harry Beresford of New York, with full cast gave an excellent and artistic dramatic performance on Saturday evening for the benefit of the Chapel of Our Lady of the Lake.

The Sunday evening family gathering, which is always the key to the events of the coming week, was a happy occasion. Hon. Geo. J. Gillespie of New York, presided and introduced a most interesting program.

The comference of reading circles and allied societies for self improvement was held on Tuesday under the direction of Rev. John T. Driscoll, S. T. L., of Fonda, N. Y. The gathering was most successful and is bound to be fruitful. To the Rev. John T. Driscoll and Rev. Thomas McMillan much credit is due for furthering this important movement.

Quite in keeping with the reading circle conference and peculiarly opportune at this time, the two lectures by the Rev. John J. Burke, C. S. P., editor of the Catholic World, New York, were splendidly significant in their forcefulness. Father Burke addressed himself to "The need and the opportunities of the Catholic Press" and spoke with a convincing eloquence which could only come from one of such authority as Father Burke.

The fourth of the round table talks was held at the Marquette Villa on Wednesday. The discussion of the topic, "Catholic Education" was led by Rev. Father Perier, examiner of Catholic Schools of Montreal, who gave a most interesting and lucid talk on the educational system in the Province of Quebec.

Rev. Thomas McMillan, also responded in a talk on the Catholic School system of New York.
