EXPENDS OVER $300,000 FOR NEEDY IN 1942

BROOKLYN, N. Y.—A total of $336,205 has been spent for the poor of Brooklyn and of Queens County by the Society of St. Vincent de Paul in the past year, according to reports received by the Diocesan Central Council here. The reports of Nassau and Suffolk Counties, which have not been received, are expected to add more than $15,000 to this figure.

In the detailed report of the Brooklyn Particular Council it was revealed that 63 per cent of the funds available to the Society come from poor boxes in the churches. Both reports gave considerable attention to work among the men in the armed forces and their families.

On Stamps

Religious subjects are not new for postage stamps coming from the other Americas, but these two issued recently from Brazil are of special interest. The official emblem of the National Eucharistic Congress held in San Paulo last fall was depicted on one series and the pioneer Jesuit missionary, Father Anchieta, again features a stamp, this time on the occasion of the fourth centenary of the Society of Jesus.
