Symbols of the Faith he is carrying to our fighting men in the Pacific are the tabernacle and crucifix held by Chaplain Francis J. Pegnam, son of Mr. and Mrs. Pegnam of 451 Raines Park, Rochester, and former assistant pastor of St. Patrick's Church in Elmira. The tabernacle and crucifix were made by Navy men aboard an aircraft carrier from the metal of a crashed Hellcat fighter plane. The interior is lined with silk from a parachute which saved a flyer's life. The tabernacle has traveled about 147,000 miles of Pacific waters. (Official U. S. Navy Photo)

Children Raise $2,100 For Sr. Theophane Chapel

As a special mission project during the month of May the school children of the Diocese of Rochester saved $2,106.21 in United States War Savings Stamps to be used in building a chapel in New Guinea.

Sr. Theophane, a native of Rochester, New York.

This chapel is to be dedicated by the children of the Diocese to the memory of Sister Theophane, a native of Rochester, New York.

These War Savings Stamps contributed by the pupils of fifty of our Diocesan schools have been converted into War Savings Bonds and sent to the Missionary Sisters, Servants of the Holy Ghost in Techny, Illinois, of which order Sister Theophane was a member.

For 9 years Sister Theophane labored among the natives in New Guinea, and in 1944 was killed while on a Jap prison ship. With the War Savings Bonds went the request that the chapel be built in Hala, Sister Theophane's favorite New Guinea mission. Since Sister was a member of St. Michael's parish, Rochester before entering the convent; a request has been made that the Chapel be dedicated to St. Michael.

Each and every one of the children who contributed to the Chapel Drive, together with the Sisters of our schools, must be congratulated upon the splendid results of their mission endeavors.

Wins Captain's Bars

Penn Yan — Mr. and Mrs. Frank Scott of Penn Yan, R.D. 3, have received word that their son, James E. Scott, formerly of Geneva, has been promoted from First Lieutenant, to Captain, and has been awarded five Oak Leaf Clusters to the Air Medal. He is with the 13th Air Force of the Second Emergency Rescue Squadron somewhere in the Pacific area.

Long and Short Of Navy Life

Geneva — Lawrence J. Antenucci, seaman second class, of 77 North Genesee street, and his shipmate, Vincent A. Kirsch, aviation machinist's mate third class of Blunt, D. C., claim to be the shortest and tallest sailors on a new aircraft carrier in the Pacific.

Kirsch towers 6 feet, 5 inches, while his buddy looks up at him from 4 feet, 11 inches.

Although his ship is only a little more than a half year old Antenucci already has covered more than 25,000 miles of water and wears the Asiatic-Pacific and American Theatre ribbons. He is the son of Mr. and Mrs. Louis Antenucci, also of Geneva, and has three brothers, Donald, Francis and Louis, all in the Army.

Communists In Control

Chicago — (INS) — Charles Roemarck, President of the Polish-American Congress: "It would not only be wrong but dangerous for our American government to shower its blessings upon a new Polish regime where Communists who represent barely one percent of the population of Poland would remain in complete control."
