Lawn Festival Of St. Andrew's July 23 to 27th

Fifteenth Annual Event Will be Held Five Evenings Under Auspices of Holy Name Society

The 15th annual midsummer festival of St. Andrew's Church will be held on the church grounds, 925 Portland Avenue, for five evenings and one afternoon next week, July 23, 24, 25, 26 and 27th. It will be conducted under the auspices of the Holy Name Society of the Church, of which George Butts is the president. Henry Schlueter is general chairman of the event, and the Rev George W. Eckl, rector of St. Andrew's, is the director and manager

The grounds will be beautifully lighted and decorated.

There will be special attractions each evening, including the always-popular St. Andrew's Boys' Band, fireworks, prizes for the oldest and youngest person present, prizes for the largest family present, prizes for "hots", a la St. Andrew's, fish and chips, ice cream, lunches, with home-made cakes and pies, etc.

There will be a large variety of booths, all of them well stocked with novelties and with useful articles. At 2 o'clock Saturday afternoon a program of childrens' sports will be run off, with races, tugs-of-war, etc., and with substantial prizes. Each evening there will be a big gate prize for patrons.

All parishioners and all friends of the parish are cordially invited to attend this festival. Big crowds are expected, and good times are assured all who come.

Made Playgrounds Of Church Grounds For Little Ones

Rev. Stanislaus Szupa, rector of St Stanislaus Church, corner Hurson Avenue and St. Stanislaus Street, has turned the grounds of his church and rectory into playgrounds for little children during the summer months. There is no city playground in this vicinity, and Father Szupa watched with concern the growing number of children at play in the streets. A tennis court, basketball court and indoor baseball diamond were marked off for the children on the church grounds, and almost immediately 400 or 500 youngsters flocked to the grounds.

There is not a more popular place in the City of Rochester now, and Father Szupa is looked upon as a real friend and real father to all the crowd. They love him, they are safe from the danger of auto traffic in the street, which is far better to Father Szupa than the green grass that has been trampled into shreds by many boisterous feet.

St. Augustine's Church Carnival July 25, 26 and 27

The annual fair and carnival of St Augustine's Church will be held on Thursday, Friday and Saturday of next week, July 25, 26 and 27, on the parish grounds. There will be a number of booths, refreshments, entertainment of various kind, and a parish re-union that will add greatly to the attraction of the event every evening.

All present and former members of the parish, as well as all friends of the parish, are cordially invited by the rector of the church, the Rev John H. O'Brien, to visit the fair and encourage the workers at the various booths. There will be a number of substantial prizes, including a Graham-Page automobile.

The proceeds of the fair go towards the upkeep of the parish school, which is one of the best conducted schools in the city. It is expected there will be large crowds at the fair each evening, and that it will be a great success in every way.

He is one of the most capable and efficient officers on the force, and he will make a good detective. His friends congratulate him on the well deserved promotion that has come to him.
