Lyell Quint Rolls Up Record Score

St. Ann's Take Early Lead In B Division. Wittman Tops Individual Parade With 706; Out-of-Town Teams Here Sunday

A smashing opening night total of 3132 [illegible] fourth annual Holy Name bowling tournament off to a flying start at Elm Hall.

Five comparative unknowns, banding together as the Lyells, walked right off with the tourney spotlight by piecing together games of 995, 1094 and 1043 for a total that may cop the top prize of $80 in the A division.

Four of the five Lyells cracked the 600 mark. A. Pezzulo led the pack with 693 including games of 209, 248 and 245. A. Foti with 206, 257 and 222 was right behind with 685.

J. Chiavoth had 612, Ruthio, 607 and B. Trobia, 535. Of the fifteen games rolled by the five, nine were over the 200 mark to give opening night spectators one of the grandest pinning exhibitions in Holy Name tournament history.

Second place in the A division on opening night went to the Gas & Electric five with a 2929 total.

Wittman Hits 706

[illegible] was the three-game total of L. Wittman, who pieced together games of 247, 253 and [illegible] for another four-C[illegible] that's going to be [illegible] in the B Division [illegible] mighty hard to beat. [illegible] the maples for 2[illegible] [illegible] shaky [illegible] All the indications point to a better [illegible] this mark before the tourney ends.

Many 600 Totals

Judging from the first night's performances this year's [illegible] produce some of the highest scores in tournament history.

A 3132 count will win [illegible] every two tournaments and although this gathering may be an exception, the odds are decidedly against [illegible] maple boards [illegible]

Among the bowlers [illegible] the smashed pins were J. Kre[illegible] B. Magin who had [illegible] for St. Ann's No. 2, Sullivan [illegible] for Paul's Quint [illegible] who tipped off for the Gas & Electric Corporation and [illegible] had 613 for Lyell's.

The tournament [illegible] few teams shot at the [illegible] 150 mark. Under schedule arrangements the bowlers will wind up their schedule Thursday, May 7.

The out-of-town delegations will hit the alleys over the week-end with teams from Auburn, Elmira, Bradford, Pa., Owego, Elmira, Seneca Falls and Cold[illegible] [illegible] on Saturday and Sunday.

Along the SPORTS Horizon

With [illegible] flying in all directions at the Elm, [illegible] urged back that the boys are observing Don't Be Kind To Trees Week.

On the [illegible] fourth annual bowling tournament of the Catholic Men's Association held under the auspices of the Diocesan Hol. Name Union.

Time was back in 1933 when the [illegible] gold and glory. Now the [illegible] themselves with silver and glory [illegible] contrary, we eat off the gold [illegible]

Before the fazing [illegible] some 750 Catholic men from all corners of the diocese will have had time crack at the wood-train effort to garner a [illegible] rich prize list.

When a Catholic sporting [illegible] four years old manages to outdistance a team registration such as [illegible] the city bowling tournament, [illegible] time to sit up and take notice. Which is just about what Rochester is doing.

In the not distant future this [illegible] ment should take in single and [illegible] as well as the five man team. It wouldn't be [illegible] unusually for the directors to study such a proposal at their meeting following the conclusion of this year's event.

Now that Paul Bresch is no longer competing for the bowling classic title in the city sweepstakes, the story of his start in the pinning game can be told without shaking his mental equilibrium.

After watching Paul roll these days you might off hand say that he has been in the pinning business for at least ten years. Fact of the matter is that Paul has been shattering the maples less than half that time.

It seems only yesterday that he went over to the Ligderkranz alleys and was entirely satisfied to keep his ball out of the gutter. Now he sports a 200 average with the nonchalance of a seasoned veteran. What a man!

Everybody seemed happy at the annual banquet of the Catholic Bowling League the other night when the CATHOLIC COURIER trophy, symbolic of the city Catholic pinning title, was awarded to the pennant-winning Holy Redeemer team with much ceremony and eclat.

Frank Hughes, the non-bowling captain of the H.R.A.A. lads, was on the receiving end of the trophy pa[illegible] truly. With waves of applause surging up [illegible] the leaders' table, the captain proved [illegible] and the boys appreciated his attitude [illegible]

The Rev. F. William Stander of Holy Redeemer's [illegible] Among the speakers was the Rev. John B. Sullivan, pastor of St. John's Church.

The league started off on the right foot for the 1936-1937 season by renaming President Barney Cahill, Secretary Howie Denk and the rest of this year's able officers to serve another term.

President Augie Maier of the Catholic Baseball League and his managers are ready to draw up a schedule for the season at a meeting next Friday night, May 8.

The league will swing into action on a twilight schedule four days later with every indication of strong support from the clergy and laity of the parishes represented. The west division is intact while one opening remains in the eastern sector. The boys figure to close up this cavity within a few days.

Now that the Catholic League is playing twilight ball the path is open for Sunday afternoon games with some of the stronger teams in Auburn, Elmira, Corning, Hornell and points south, east and west. What do you out-of-towners think of such a proposal?

What has happened to the Rochester Red Wings of the International League and "Rip" Collins in the National League?

The Wings of 1936 seem to be just another [illegible] problem children for the fans to digest. Unless the boys show a reversal of form in a hurry the Newton Street stadium will be laid out as populated as a haunted house during the summer months.

Now take Mr. Collins. At the present writing he has been benched by the Cardinals after smashing the ball to a hard average of .338 to land in last place in the National League. Ironically enough, Johnny Mize, who [illegible] when Collins went to the Cardinals subbing for the Rip.

The best of the Rochester boys are [illegible] Tommy Carey is rapping the leather at a .308 clip for the Browns and Twinkle Toes Selkirk on the Yankees has a .325 average.

Boys Their Interests

It is to be hoped that the opening of the Parochial Baseball League will be next week, Wednesday or Friday. In accordance with an old custom, St. Monica's, the champions, will open the [illegible] against [illegible] Wednesday. [illegible] rivals will do battle and will be backing [illegible] in the good old style. The first games will be arranged by telephone, the others will be outlined and mailed next week.

News of the league [illegible] St. Monica's has [illegible] again but they dropped a [illegible] game to St. Mary's. A [illegible] 88 [illegible] and Paul's beaten St. Mary's. So there you are. However, [illegible] season games are almost [illegible] of future games [illegible] game depends upon many other things [illegible] Corpus Christi [illegible] a good team built around Frank. They show this year that they [illegible] not crack in mid-season. Holy Redeemer is building around [illegible] basketball stars and are expected to turn out the cream in [illegible] St. Ambrose [illegible] team but a little weak at third. St. Boniface [illegible] boys [illegible] small [illegible] and too thin [illegible] guns.

There has been [illegible] this year in the [illegible] hardball. Of course [illegible] teams want to play ball. However, we point out that [illegible] matter much whether the boys play hard or soft ball. The main object is to have a good time. [illegible] be sportsmen and team [illegible] mind. It is true that every year the hardball diamonds are becoming scarcer, it costs more for hardball equipment than for softball, more are injured playing hardball and many who can play indoor ball some still are hopeless with the smaller pill. In Canada and [illegible] there are about six different [illegible] for playing indoor ball the game are at night. Added to this the managers of the International and National Leagues are making no effort to promote hardball. If they encouraged hardball Leagues by giving free passes to the same games [illegible] many more would play.

Camp Stella Maris and [illegible] successful card party. This was mostly due to the hard work of the ladies on the Committees. Father Lambert, after reviewing the returns, said that without doubt Stella Maris could again keep its low rate of $8 a week. This gives the family of ordinary income a chance to send the boys to Camp for a vacation.
