Aquinas Set To Keep Grid Record Clean

Meets East Rochester In Finale; Downs CBA By 18 to 0 Score

East Rochester, Monroe County League entrant, is the last obstacle that the grid forces of Aquinas Institute must hurdle in its bid for an undefeated season.

On Saturday afternoon in the Edgerton Park Paddock, the Dewey Ave. aggregation will be a hard team to stop with an undefeated season within its grasp.

Last Saturday, Aquinas upset CBA of Syracuse, their traditional court rivals, by taking an 18 to 0 victory on the gridiron. This is the first victory for the Irish against CBA on the gridiron as Aquinas lost the opening game in 1932 against a strong Salt City eleven.

Connolly Stars

Cordy Connolly, Sullivan's fleet-footed back, scored thrice in the second period behind a brilliant line to have the heavier CBA team on the short end of an 18 to 0 score. After scoring his three touchdowns Sullivan gave his first team a rest using substitutes for the remainder of the game.

Cy Citrone looked a CBA star in the waning minutes of the first period that led to the first Irish score. Connolly, after a few running plays were stopped, threw a perfect pass to Urlacher for a 12 yard gain. With the ball on the 5 yard marker Connolly on two off-tackle thrusts scored the first six points of the game. Pat Fearrier's kick for the extra points was low.

Connolly again met the foe in CBA territory by intercepting a pass on his own 45 and running it back to the visitors' 25 yard line. McKenna then carried the ball to the 11 yard line where he was halted by a host of CBA players. Connolly on the next play, off tackle with perfect interference and McMahon's place kick gave Aquinas its last touchdown in the last two minutes of the second quarter. His kick was covered by Aquinas on the 20 yard line. Here again the ball was given to Connolly and in exactly two plays he carried the ball over for the last score. An Irish pass was ruled incompleted.

For CBA Schmitt and Baroni featured with their fine style of play. Schmitt did most of the ground gaining for the Salt city team and Baroni played a great defensive game.

Langle To Talk on 'Communism' At Study Club Leaders' Rally

Preparations are complete for the Rochester deanery meeting of Study Club Leaders in the Columbus Civic Center, Sunday evening, November 14, at 8 p. m. According to the Rev. John M. Duffy, Diocesan Director of the Confraternity of Christian Doctrine, a worthwhile program has been arranged.

Rev. Donald M. Cleary will address the group on "Why We Don't Discuss Religion." Father Cleary, a speaker of note, is Catholic Chaplain at Cornell University.

Louis Langle, an outstanding Catholic layman, well known for his public speaking in organization and parish groups, will talk on "Communism."

Rev. John M. Duffy will outline the Confraternity program to stem Communism.

The Confraternity of Christian Doctrine Office was established in Rochester in 1933. Its main objective is the religious education of adults and Catholic children attending public schools. The study club program in the diocese is the means selected for extending religious education in the home. Study clubs meet weekly for a period of eight weeks and study the subject selected by the Confraternity Office in groups of ten or twelve. In the past there were 8,000 members of the Rochester diocese in more than 700 study clubs.

An invitation is extended to all the priests of the Rochester deanery to attend, to all study club leaders, and to anyone interested in study club leadership.
