SODALTALK

Recording the Activities of Rochester Parish Sodalities Union

By MARGARET WORTHINGTON

Miss Helen Guntert, chairman of Rochester Sodality Union Speakers' Bureau, spoke at the recent Sodality meeting of St. Alphonsus Parish, Auburn. The meeting, so the report goes, was "like something out of the Red Book"; which is pretty high praise, if you know your Red Book. All the committees sat together, their particular activities being explained by the chairman and the members of her committee. A pin rack—we say this for lack of a better name—at the entrance of the Sodality room expedited the calling of the roll.

Our heartiest congratulations, St Alphonsus!

St. Francis of Assisi Sodality and St. Monica's Sodality were among those who received new Sodalists on December 8, the feast of the Immaculate Conception. We are pleased to hear that investiture with the Sodality medal was a part of the ceremony in each instance.

Attendants at the Immaculate Conception Sodality Christmas party suspear were delighted with the Nativity tableau which was presented by the Sodalists. Veronica McFarlin took the part of the blessed Mother while the baby brother of one of the Sodalists represented the Christ Child. Success of the presentation was due largely to the efforts of Anslyn McCarthy who served as dramatic director.

Not in the spirit of seeking commendation for spiritual exercises but rather as an encouraging and edifying note do we publish the number of triduums made by Rochester Sodalists for the Holy Father's Christmas gift. As reported by Margaret Briggs, Eucharistic Committee chairman of the Union to the Queen's Work office the number of triduums was 1480 and 440 Masses and Holy Communions.

Sodalists may gain a plenary indulgence by receiving Holy Communion on Christmas Day. This is one of the many special indulgences granted to Sodalists of our Lady.

May we suggest that Sodalists remember their spiritual directors in their Christmas Holy Communion.

Monthly meeting and Christmas party of the Sodality of Mary of St. Boniface Church were held on December 12.

Price of admission was old clothes to be distributed to the needy and a ten-cent gift for the grab bag at which a very able Santa Claus presided.

A short business meeting was first on the schedule during which plans for a Silver Tea, to be held January 9 were announced. A suggestion was made by the Moderator Father Walz that of taking an orphan, boy or girl, preferably the day after Christmas and treating him or her to a real, home-like Christmas.

All that is necessary is that you call the Sister in charge the night before and let her know the time you will come. This idea was heartily endorsed by the girls.

Sodalists were presented with a surprise in the form of an entertainment put on by members of the Charles Settlement House, Bay Street, which included both the nursery school and the older girls.

Party was closed with refreshments of ice cream, Christmas cookies, and favors for all.

We are very happy to extend to you, Sodality directors, Sodalists, and to all our readers, the heartiest, happiest, and holiest greetings of the season, from Sodality Union Director Father Fox, President Margaret Larkin, and all the officers of the Sodality Union. In short, we say to you,

MERRY CHRISTMAS!

Give Christmas Pageant At Mercy

The annual Christmas assembly at Our Lady of Mercy High School was held Tuesday, December 21. The program was enacted by an all senior cast.

A Christmas play, "The Unbidden Guest," was presented with the following cast: Kathleen Grimes, Concettina Di Pasquale, Rita Schuhart, Mary McCarthy, Rita Miller, Aileen Masucci, Dorothy De Coninck, Kathleen Martin and Betty Shantz.

The first Christmas crib and the first Christmas seals were described by Rita Povero. The origin of Christmas foods and flow ers was explained by Jane Doody.

A piano solo by Patricia Doyle, orchestral and choral selections were also highlights on the program.

AIRWAY JUNIOR FARMS HOLDS CHRISTMAS PARTY

AUBURN—Holy Family Junior League held its first annual Christmas party, Monday evening in Holy Family Auditorium.

A covered dish supper was served at 7 o'clock after which an entertaining program was presented by Miss Kathleen Carmody, chairman.

The Rev. Donald M. Cleary, Catholic Chaplain at Cornell University, spoke on "Religious Life in a University."

The Junior League sponsored a Christmas party for children of the lower grades, Wednesday morning in the Auditorium.

Investigate the parish discussion club plan.

ZENITH GIFT

With the last call for the Christmas radio to be installed, or as the happy and sensible way to spend gift money, Dorschel's Appliance Shop, 170 Genesee Street calls attention to the splendid Zenith radios.

This is the Zenith year. For 22 years some of the country's finest homes have been proud of their Zeniths. With the claim of being "Always a year ahead," Zenith has produced a complete selection of long-distance radio models which are new, brilliant and versatile. They are ready for good listening to the radio stations of the world. The creative thought of cabinet designers, circuit engineers and acoustic experts has been built in.

Practical short wave performance is more than 13 years old to Zenith. As early as 1923 Zenith sent the first short-wave messages from Greenland to Tasmania, more than half way around the world. Hence Zenith makes its famous guarantee, "Europe, South America or the Orient every day or your money back."

Mr Dorschel states that the Zenith comes in all prices, fine models for any pocketbook. All models are available in figured walnut veneers, and selected models in bone white, ebony or honey maple. An attractive feature is the line of arm-chair models, more popular with many people.

MATTRESS TEST

Experience and integrity are two essentials in mattress renovating, and the Guarantee Bedding Co., 45 Champlain Street, has created a fine reputation for excellent workmanship and reliability. The old material should be worked over, discarding that which is worn, and replaced by an adequate amount of new, suitable material. This is where the integrity of the renovator is put to a test, and why an established concern should be patronized. In addition, the quality of workmanship tells whether or not the mattress will have long life and be fluffy and strong.

The Guarantee Bedding Co also manufactures new mattresses and has brought comfort and rest to many Rochester people. The best aid to good sleep is a fine mattress. Possibly you have one in the home which should be replaced by a new one, and the Guarantee Bedding Co. can supply one that will give satisfaction for years.

Giving prompt service, the Guarantee Bedding Co is skilled in renovating and manufacturing box springs, mattresses, pillows and cushions. Articles are called for and delivered. Full information will be given by telephoning Genesee 6524.

ROOFS FIXED

Ready to repair a roof at any time, Wm J. Meyer Co., Inc, emphasizes that the weather does not wait on roof repairing and that damage on account of a leaking roof may be prevented by making repairs in advance. This is the basis of prudent property management whether the building is large or small. If the roof is in bad shape the whole building is subject to damage, as well as the contents.

Located at 103 Griffith St, the Meyer company has a long record of good business and its reputation is enviable. Handling and applying all types of roofing material except wood shingles, the company has many satisfied customers among house owners, churches and institutions. Sheet metal work also is done, and, whatever the service desired, it is accompanied by courteous attention and expert advice.

Look at your roof, whether or not it is leaking. If repairs or a new roof are indicated as a wise course get in touch with William J. Meyer Co. Responding to a telephone call Stone 133, they will give valuable information about kinds of roofing and will furnish estimates.

MOVE FREIGHT

Deliveries of freight to points in New York State were maintained according to schedule during the recent bad weather by the efficient organization of Paul Gotham. This achievement is a subject of pride with Mr. Gotham and all of the employees. No matter what the weather, fast transportation of freight by truck goes on as usual.

Located at 30 North Union Street, his freight lines were established in 1926. Years of experience and study have been given to the problem of delivering freight in and out of Rochester in the shortest time possible. Immediate pick-up of the freight and its despatch without delay means delivery at the earliest possible moment at the destination. Giving 24-hour service, Mr. Gotham is available at any time by telephone, during the day at Stone 2192, and at his home during the night, Culver 2693.

Although he specializes in large quantity hauling, he likes to handle small shipments. Drivers and freight are covered by insurance. For shipments between Rochester and all points in the state, he offers low rates and guarantees satisfaction.
