School Head Tells Goal Of System

Prepares Future Citizens for This and Next World, Fr. Duffy Says

By FRANK J. CONBOY, JR.

GENEVA The goal sought in the Catholic Schools system was emphasized by the Rev John M Duffy Diocesan Superintendent of Schools in an address heard by 74 members of DeSales High School Senior Sodality at their dinner meeting at St Stephen's parish house, February 17

If the children in our schools sometimes have not all the conveniences they desire Father Duffy stated, it may be better for them in the end

Gives Spiritual Goal

They are being prepared for a cold frosty world where, for the most part, they must take things as they come even economic depressions for even more than that, they are being trained for citizenship in the Kingdom of God

Seated at the speakers table with Father Duffy were the Rev Edward K Ball Principal of DeSales High School Rev Daniel Fraher of St Stephens parish, William McDonald Senior Sodality Prefect, and Joseph Kelly, Vice-prefect. Toastmaster Paul Cooper was also chairman of the event assisted by Adelma Fahy Joanne Mahan, Eleanor Smaldone and Betty Rogers Miss Betty McDonald entertained with vocal solos.

Compare Favorably

Father Duffy said that although our school buildings seldom compare in beauty and convenience with the public schools in each community, the parochial school's faculty, teaching methods and students themselves are in no way inferior to those of the public school system

Points in Catholic education of which we may be justly proud he said, are the nation wide system of diocesan supervision which makes a unit of the entire educational plan. Catholic children, where local conditions require and permit, are given such advantages as free text-books, daily milk for the under-nourished school bus service dental service and access to libraries and museums

Tribute For Teachers

Careful supervision of the teaching staff and high standard teaching requirements are another part of the Catholic education system which may not be properly appreciated by the average layman

Father Duffy also pointed out that the determination the will to be kind and patient and the self sacrifice required of good teachers are to be found in the religious men and women who have sacrificed all else for the work of Catholic education with God's own benediction upon their efforts.

What is taught in Catholic schools Father Duffy said includes all the technical and classical pursuits required by the State Board of Regents to which is added religious and moral instruction

Asks Cooperation

Father Mooney in his address pointed out the necessity for a strong Catholic press and indicated that in order to have such a press whole hearted cooperation must be given to the publication of the diocesan newspaper He told of many of the difficulties that confront those who have in charge the publication of the diocesan organ One of the chief difficulties was to impress upon our people the importance of taking and above all of reading regularly the CATHOLIC COURIER, in order to get the Catholic viewpoint on the happenings of the day both at home and abroad

At the conclusion of Father Mooney's talk there was an interesting period of questioning during which many valuable suggestions came out

BISHOP WRITES ABOUT PRIESTS

Two Missionaries Need Hospital Care

Bishop Joseph Kallas of the Catholic Bishop of Tripoli in Syria Tripoli is important because it is at the end of an oil pipeline that extends across the desert to Iraq. The city is mostly Mohammedan There is a large group of the Separated peoples and the Catholics are very few

Here is the letter from Bishop Kalls

"I wonder if you realize the burdens a missionary Bishop must carry I look around me and see all that should be done and then I see that it is impossible to do even the most necessary things I see the children going to schools that are not Catholic I can't open any more schools.

"Every month I must pay teachers The few priests that I have are like beggars Two are now sick I should send them to Beyrouth for hospital care but I can't borrow any more money Just think Here I am, a Catholic bishop, and I can't find Sixty-five Dollars to take care of two sick priests.

"My debts amount to Two Hundred and Fifteen Dollars in American money Where can I go for help? Surely you will do something for me Perhaps you can ask some friends of the missions to give Sixty-five Dollars so that these two priests may receive adequate medical care My debts must be paid very soon, but I am more worried about these priests If anything happens to them this missionary diocese will be terribly crippled."

Surely someone will answer this appeal of Bishop Kallas for his two priests. It takes a long time to train a man for the Priesthood and then he should not be neglected Sixty-five Dollars seems very little to give to prolong the lives of two missionaries Can you send us Five Dollars to help pay the Bishop's debts? Remember he owes Two Hundred and Fifteen Dollars

FOR A CHAPEL

Give to a mission Chapel
A Set of Vestments
A Set of Altar Linens
A Crucifix
A Chalice
A Missal
Two Candlesticks

You can give all these for Sixty-two Dollars Your gift would be very welcome.

REMEMBER YOUR DECEASED

It is so easy to forget our obligations to our deceased relatives. Don't forget your departed Ask the missionary to offer Holy Mass for your deceased.

Candles

Do you ever light Candles in Church for your intentions? How about having Candles burn for you through a whole year? By sending us eight dollars you can do that, and at the same time supply all the Candles needed for the services in one of our mission chapels.

WHAT A CHAPEL MEANS

To build a mission Chapel is a great work A Chapel becomes the center of the religious life of the district It makes it possible for the priest to gather his people around him and instruct them It provides a place where the faithful may visit Our Divine Lord in the Blessed Sacrament and hear Holy Mass. It gives to those outside the Chuch the opportunity of hearing the Word of God in sermons

Five Hundred Dollars will build a mission Chapel in the Near East. The donor can select the name, the Holy Father will select the site.

SET OF VESTMENTS

Nothing looks worse than a set of Vestments that are soiled and patched. Our missionaries are using Vestments that should be burned. You can give a Set of Vestments to a mission chapel for Twenty Dollars These will last for years. Make this a thanksgiving gift to the Blessed Sacrament.

ASK THE MISSIONARY

Everything we send to the missionary is used for his work. When we send him offerings for Masses, he uses these for his chapel and school. Ask the missionary to say Mass for your intentions. Remember he offers a Mass for every offering he receives.

STATUE OF ST. JOSEPH

March is the month of St. Joseph. This great Saint was born and spent all his life in the Near East. Send us Fifteen Dollars to purchase a large statue of St. Joseph for a Near East Chapel.

A CHALICE

We are always opening new missions. Ten Dollars will purchase a Chalice for a new mission Chapel.

GREGORIAN MASSES

We will gladly mail you a copy of our pamphlet on Gregorian Masses. It explains the old custom of offering a Mass every day for Sixty days for one who is deceased. Write for a copy—it is free.
