Director Fritz Lang also has been responsible for such fine films as Fury, "You Only Live Once," "Ministry of Fear," Dr. Caligari and Mr. Wong. He finds himself in a new role as director of a Western. It's probably because of Lang's mastery of the camera that "Western Union" is as good as it is. Certainly the story is not remarkable but the presentation is. Lang has no opportunity to build personal effects but there is no call for them here.
