Forman's Store To Be Enlarged

Ground was broken Tuesday for a three-story addition and modernization program which will increase the selling space of the B. Forman Company building in Clinton Avenue South by 40 per cent, President B Forman announces.

The three-story addition, with basement, will be erected on a plot 200 by 32 feet, a block deep, on the site formerly occupied by the Lyceum Theater and recently used as a parking lot, adjacent to the present store building. The front of the new structure will be of limestone and the present store front will be rebuilt to harmonize with the modern lines of the new

The store staff of more than 400 employes will be "increased substantially" when the building project is completed, Mr. Forman said, adding construction is expected to be finished in about five months. New rest rooms and facilities for employes are included in construction plans. In all, 24,000 square feet of selling space will be added to the store.

Mr Forman declined to reveal the cost of the building program, but said, "We are pleased to be able to announce this step at this particular time We like to think of it as a symbol of our faith in the future of our city and country."

Rochester labor and artisans will be employed in the work.

Elmira Ladies Of Charity Mark First Anniversary

By MARY E. FITZGERALD

To celebrate the first anniversary of the official affiliation of the Elmira Unit of the Ladies of Charity with the New York office, about 200 members and prospective candidates gathered in the spacious administration building on Harris Hill on Sunday, June 8, at 3 P. M.

Miss Frances O'Connor, President, presided and welcomed the guests. Miss O'Connor stated that the quarterly general assembly of the organization afforded an opportunity for a frank discussion of programs and practices.

Mrs. Joseph M. Dailey, Treasurer, presented the financial report, for a period of eleven months. This report included a statement of every receipt and expenditure which has been made by the organization from June 1, 1940.

Report of the sub-committees was given in the form of a script entitled "Through the Months With the Silver Crucifix" Miss Mary C Lennon, Recording Secretary, acted as Moderator. She was assisted by Miss O'Connor of the Executive Committee, Miss FitzGerald, representing Catholic Charities; Mrs. William Burns, Personal Service;, Mrs. Joseph Dailey, Foster Homes, Mrs. Edward Widman, Friendly Visitors; Miss Florence Bird, Employment; Mrs. Thomas Delaney, Red Cross, Mrs. Fred W. Causer, Room Registry, Miss Dorothy Martin, Recreation; Mrs. Joseph M. Spiegel, Camperships; Miss Clara M. Lynch, Secretarial, Mrs. Glenn Weigand, Sewing, and Mrs. William Antes, Associate Members; Miss Florence Kane for the Big Sister Council.

Special Indulgences Noted

Report included a reference to the special indulgences granted to Ladies of Charity and a few highlights in the work of the various committees. Of particular interest was the story of the regular visits made to the County Farm by members of the Personal Service Committee, arrangements for the adoption of a homeless little girl and the kindly, personal contacts made by the Friendly Visitors. Report was made of 24 hours of service each week by the Red Cross Committee and a total of 175 placements by the Employment Committee with emphasis on vocational guidance of adolescents and the Room Registry services which provides approved investigated rooms in Catholic homes for transient or permanent placement.

The splendid accomplishments of the Recreation Committee through their Dancing Class, Basketball and Dramatics were explained by Miss Dorothy Martin as were arrangements of the Campership Committee to finance expense of camp vacations for children who would not otherwise have such a privilege.

Two hundred hours of service monthly by the Secretarial Committee explained why the Ladies of Charity operate without paid office help. Special assistance given by Associate Members was closely related to Mrs Weigand's remark that over 700 new and remodeled garments had been made by the Sewing Committee, including playsuits for the summer campers and First Communion and Confirmation dresses.

Miss Florence Kane, representing the Big Sister Council, convinced her listeners that some adolescent girls in Elmira have found friends to whom, on an individual relationship, they were known as Little Sisters.

In conclusion Miss Lannon stated, "As Ladies of Charity we have dedicated ourselves as far as circumstances permit to the service of Our Lord Jesus Christ in the care of his poor. Our great leader, St. Vincent de Paul, said 'Charity is the cement which binds Christians to God and to one another.' And so we accepted the Silver Crucifix of a Lady of Charity, to wear it always knowing that an association in which our hearts are perfectly united is assured of the blessing of God who is the source of all strength.'

Mrs. Kelly in Address

Mrs. J. Edmund Kelly, Chairman of the Volunteer Bureau of Buffalo Catholic Charities and a leader in Social Work in municipal, state and national circles, was introduced by Miss FitzGerald. Mrs. Kelly said, in part, "At the time of this your first birthday party momentous events are taking place in our American life. Around us in the world nations have fallen before aggressors. Cities have been bombed into ruin and women and children have met deaths that were formerly reserved for soldiers.

Here at home the sound of marching feet has begun. We think—War? What for? Your sons and my sons, are they to be snatched from the very hearts of our homes? Oh, God, that they might see is the anguished cry of every American mother.

From such thoughts as these we turn to the Ladies of Charity and think of your work in building up a service to God's poor. This is the time when you should dedicate yourselves once more to the cause of bringing balm to wounded spirits. You have given of yourselves and of your earthly possessions. It is good that you should be here today to rekindle the fire of love in your hearts and to think again of the service that is distinguishingly one of Christian Charity. Charity means love and it is the irresistable bulwark against which the enemy hate is helpless. I would suggest that you dedicate your every act to Mary, Queen of Peace, asking her to restore our courage and confidence, begging that she rebuild in the world an understanding of peace.

Tribute to Founder

In organized volunteer service we remember that there was never a Saint who so closely imitated Our Lord as did St. Vincent de Paul. He organized the Ladies of Charity after an experience of a Sunday when his plans for a destitute family were so generously answered that he realized that his parishioners were like sheep without a Shepherd.

His thought persisted and became a challenge to this saintly man whose mission was distinctly one of charity. With his keen instinct of pity he realized that more than a father; these people needed the administrations of a mother. So he organized the Ladies of Charity and from these tiny seeds, dropped on fertile soil, the society grew and prospered until every parish around Paris had a unit of the Society.

As St. Vincent de Paul needed the helpful understanding of the Ladies of Charity, so also we remember that Holy Mother Church has never placed responsibilities on women which they have refused to accept.

Mrs. Kelly mentioned that volunteers look askance at professional workers but that after many years of experience she realizes that there is a definite place for the professional as well as for the volunteer worker. She congratulated the local organization on the glowing reports from their committees. She reminded them that their work was very dear to the Sacred Heart of Jesus, that they would do well to keep Our Lord always before them and to remember Our Blessed Mother and make her their patroness. She stated that friendly visiting was in a way similar to the work of Our Lord when he went up and down the streets of Judea and that in the humblest task done in His name there was great personal sanctification

Fitting Climax

Business session was followed by Benediction of the Blessed Sacrament with the Rev William O'Toole of St Michael's College, Toronto Canada, as celebrant This beautiful ceremony of Holy Mother Church proved a fitting climax for the celebration of a year of unusual accomplishment in unselfish service to our neighbors The temporary altar was beautifully decorated with red peonies for the month of the Sacred Heart and purple iris the flower of St. Louise de Marillac co-foundress of the Ladies of Charity

Grateful to Bishop

There was a sincere expression of gratitude to His Excellency, the Most Rev. James Edward Kearney, D.D. who had granted special permisson for the unusual privilege of such a solemn closing

The distinctive building was colorful with huge bouquets of spring flowers and proved a fitting frame for the attractive tea table where Mrs. Daniel P Murphy of Corning, formerly of Elmira, and a second vice-president of the Ladies of Charity, and Miss Mary Newsome, President of the Elmira Deanery of the National Council of Catholic Women, presided.

Mrs. Joseph M Spiegel was chairman of the Tea Committee, assisted by Mrs. Fred W. Causer who was in charge of the refreshments. Mrs Arthur Pelletier headed the ushers and Serving Committee. Mrs. Joseph M. Dailey was in charge of the kitchen and Mesdames Walter C. Ervin and Catherine Myers were responsible for the decorations. Other members of these committees were: Mesdames William Burns, Glenn Weigand, Harold Young, Myrtle FitzGerald, Gertrude Keegan, James V. Constantine, Daniel Sheehan, John Lynch, Ivan Brady, Robert Hopkins, Fred Battersby, William Danaher, Henry Graner and Bertram Comstock, Misses Clara Lynch, Claire Lacey, Florence Zielinski, Mary Skopes, Margaret Kelly, Sue Coughlin, Florence Bird, Agnes Hourihan, Agnes Cusick, Helen and Loretta Murphy.

We quote Rev. John S. Randall, Diocesan Director of the Propagation of the Faith:

"I wish to call the attention of your members to the Twelfth National Convention of the Catholic Students' Mission Crusade which will be held in Rochester from June 27-30

"The C S M. C is an organization of American Catholic Youth consecrated to the Christianization of the world by prayer, study and sacrifice. It is the Christian democratic counterpart of the American Youth Congress, a group of radicals who attempt to substitute atheistic ideologies for religious truths, anarchy for order, class hatred and racism for human equalities, world revolution for world peace"

We are invited to join with these youthful mission leaders in their Crusade for Christ by participation in their public meetings at the time of the Convention, and in the meantime by praying for its success.

The Fifth Annual Institute on Industry will be held at the National Catholic School of Social Service in Washington beginning Monday June 17, and closing Saturday, June 21

No one need be persuaded of the value today of knowing the teachings of the Church in regard to Social Justice It is only too apparent that unless right ideas are made to permeate those circles of both capital and labor subversive forces will continue their nefarious work. The right principles which should govern the reconstructing of the social order will be set forth in the courses of the Institute, and will provide an excellent opportunity for young women in industry.
