WINDSOR BOARD FAVORS RELIGIOUS INSTRUCTION

WINDSOR, Ont. — (NC) — At a meeting of the Windsor Board of Education, members spoke favoring the inauguration of a definite course of religious study in public (non-sectarian) schools.

Members were told that four of the schools have regular half-hour religious services weekly, under direction of some clergyman who has agreed to take over this duty whenever asked to do so. These services are not compulsory.

It also was pointed out that any denomination may organize religious instruction classes, if the school board, by the necessary majority, allows. Catholic clergymen have done this, it was stated, and they were receiving a splendid response from the students.

Let my prayer be directed as incense in Thy sight; the lifting up of my hands as evening sacrifice.—Psalms 140, 2.

POST-WAR PLANNING

IT is sound and sensible to plan ahead. That is true for individuals as well as nations. YOU should have a post-war financial plan, and it should include a substantial bank balance to provide cash for emergencies or necessary readjustment to peace times. Why not start making regular deposits in a bank account?
