DIRECTOR

HELLO, BOYS AND GIRLS:

Do you remember our plan that I told you about last week. I hope that we will finish this week so that on next Friday I can tell you about the grand result of our sale of Christmas seals.

Last week I stepped right in the middle of my story about the adoptions from St. Peter and Paul's School. So before I start any new material I will finish their ransoms. The Sixth Grade Class ransomed a baby to be named Mary. Arte Quadrine, Dolores Marlatano, and Anne Cesarzi, all of the Sixth Grade, each adopted a pagan baby. Another pupil from this class, John Black, saved enough to adopt two babies, Joseph and Peter. Stanley Wagner saved a pagan baby by himself. Stanley is in the Fifth Grade and has asked for the name, Harold James. His class ransomed three babies. Johanna and Louis were both adopted by the pupils of the Fourth and Fifth Grade room.

Now for the Fourth Grade. The class asked for Paul and Pauline, while two of the students individually ransomed babies. Rose Marie Zeppetella wants her baby to be named Rose Marie, and Gerard is the name chosen by Gerard Johnson.

The little Second Graders were able to adopt two babies: one is to be baptised Antoinette, the other Dolores. The little children of the First and Second Grade Room were not going to be left behind. They have asked for three babies, one to be named Joseph, another, Mary, and the third, Janice. Surely, boys and girls of SS. Peter and Paul School, you deserve a great deal of credit and thanks.

The children at St. Salome's School in Ft. Pleasant have ransomed four babies during the month of December. They ransomed a baby from China to be named Mary Immaculata. The little tots from the First Grade saved their pennies and received enough to ask that they be able to adopt a Chinese baby Joseph Richard. The Fifth Graders chose Mary Conceptia and Joseph as names for their Chinese babies.

The children at St. Stanislaus School wanted to give the Infant Jesus a big birthday gift. They ransomed nine babies, Emmanuel, Joseph, Stanislaus, Casimir, Andrew, Marie Catherine, Jadwiga and Noel.

A little Negro boy named Joseph has the pupils of the First and Second Grades at St. Theresa's School to thank for being ransomed.

I've been receiving a great deal of correspondence from the children at Holy Family School, Auburn. Here are the adoptions: Eighth Grade, Mary Immaculata, Chinese, Fifth Grade, Joseph Emmanuel, Chinese; Sixth Grade, Mary Kilian, Chinese. Third Grade Boys, Paul Anthony, Japanese. Ellen Cuddy of the Third Grade alone ransomed a little Negro girl to be named Florence Mary.

The children at St. Hyacinth's School, Auburn, are working for us, too. Here they are: First Grade, Theresa, Second, Joseph, Third, Marie, Seventh Grade, Francis Cabrini, and Eighth Grade, Philomena.

The pupils of the First and Second Grades at St. Agnes, Avon, are very missionminded little people. I have another adoption from them. This time it is a Negro.

Even though the children at Brockport have had a very difficult time as a result of their school fire, they still have enough love of the missions to never forget us. Here ar their ransoms: Seventh and Eighth Grades, Francis; Fourth, Mary, Chinese; Third, Joseph, American Indian; and First and Second Grades, John Joseph, Chinese.

As usual, we are always remembered by St. John's School, Clyde. Francis DeFonte alone ransomed a Chinese to be named Eugene McFarland, while Harlow Hayes also adopted a baby by himself. He asked that a Chinese be ransomed and named James Hayes. The other adoptions: Third Grade, Rosa Catherine, Chinese; Sixth Grade, Joseph Anthony, Chinese, and Eighth Grade, Mary Gertrude, Eskimo.

Next, comes St. Mary's School, Corning. Patricia Gill has been able to ransom a baby by herself and she wants a Chinese baby to be called Noel. The Seventh Grade adopted Immaculate, a Chinese; Fifth Grade, First Floor, Anne Arthur, Chinese, and Fifth Grade, Second Floor, Joseph, Chinese. Bernadette, a Chinese boy has been ransomed by the pupils of the Third Grade.

The children of the Kindergarten, First and Second Grades at St. Patrick's School, Dansville, wanted to give the Infant Jesus a birthday present. They adopted a Chinese baby named Anne Kathleen.

My goodness, boys and girls, I still have a long way to go before I finish all the schools. I hope I will be able to do so next week, because I have some very interesting news to tell you. So, I will see you next week.

Debt Cleared at National Shrine

WASHINGTON — The outstanding indebtedness on the National Shrine of the Immaculate Conception at Catholic University of America, here, has just been paid off, the Rev. John J. Bailey, director of the Shrine, announced. The indebtedness was in the form of a note for $100,000.

Periodical payments during the past four years, largely from the millions from benefactors of the Shrine, enable Father Bailey to wipe out the note. The successful drive has been termed by the University's paper savings campaign.

Discipline of Liberty

Religion is one of the disciplines of liberty, and without religion the other disciplines of liberty are in danger. In Russia, for example, there is Bolshevism, but there is no religion. Quoting Pius X, the Quotes.
