Over $1200 has already been subscribed by the girls and their parents, with an even greater sum expected to be raised in the last week. Members of the faculty have also been very responsive to the requests of the workers.

Elaine Mulcahy and Carolyn Hohensee, co-chairmen of the drive, announce special emphasis is being placed on the rounding up of all war stamps, for this will be the last opportunity to turn them into bonds.

The Freshman class will hold its initial class dance, a "Parasol Pirouette," on Friday evening, Nov. 30, from 9-12 in the college auditorium. Gene Zacher's orchestra will furnish the music. Co-chairmen for this event are Eileen Cosgrove and Ann Heffernan.

Resignation of 2 French Bishops Accepted in Rome

Rome — (Radio, NC) — The recent resignation of two members of the French hierarchy, Bishop Henry Dutoit of Arras, and Bishop Francis Auvity of Mende, is taken by informed circles here to be in harmony with present political events in France. Ever since the liberation of France the two Bishops had been publicly accused of collaborating closely with the Petain regime while the country was under German occupation. Last year Bishop Dutoit was subjected to "administrative interment," which obliged him not to leave a determined residence.

The fact that the resignation of the two Bishops has only now been accepted by the Holy See is interpreted as an indication that the church authorities made careful investigations in each case.

Bishop Dutoit, who was transferred to the titular see of Lampsi, is succeeded by Bishop Victor Perrin, while Bishop Auvity, who was named Titular Bishop of Dionisiana, is succeeded by Bishop Maurice Rousseau.
