As Catholic Speakers Bureau Hears Plans for Year's Activity

Congratulated for past performances by Mr. Buckbury, Bishop Kearney (third from left) leaders of the diocesan Catholic Speakers Bureau sponsored by Rochester Council, Knights of Columbus unfolded plans for the coming year at their annual dinner. Shown at speakers' table are: (from left) Grand Knight Francis T. Toomey, the Rev. Arthur E. Ruligan, Council Chaplain; Eugene R. Cusker, Bureau chairman; the Rev. Paul Wahrlab, moderator and Chancellor John M. Pietraszkiewicz.

JOHNNY MISKELL SPARKS HIS TEAM IN BOWLING LOOP

Auburn — Georgetown bounced back after having been defeated for two straight weeks in St. Aloysius Holy Name Bowling League to beat a stubborn Villanova team who were out to show they are the strongest team in the league. Johnny Miskell, jubilant over becoming a father of a baby boy inspired the rest of the Georgetown team with his 568. Buddy Wilson came close with a 556 followed by Tom Hunt's 540 and Andy Strapach's 536. Paul J. Graney tried hard to lead Villanova to victory with his 543, but despite the fact his team bowled 300 pins over their average, they had to be content with one point.

Notre Dame, with Captain Jack Friedel leading off with 543 and John Terry holding down the anchor position with 534 had a very easy time with Santa Clara who were away off form. Notre Dame, by taking four points, went into undisputed possession of second place and gained one point on Georgetown, who are five points in the lead.

Holy Cross had an easy time winning the first two games and should have as easily won the third from Loyola who were not up to the form they displayed last week, but the Crusaders fell apart to lose one point and dropped to third place. The last game cost four members of Holy Cross the loss of 500 totals.

The most even match of the afternoon was between Canisius and Atomic Gonzaga. Canisius, led by Lou Tonzi's 578 won the first game by one pin and pin total by only four pins. It was so close that one spare could have changed Gonzaga's one point to three. Captain Paul Friedel led the losers with 536, and Joe Graney helped with his 502. Canisius in winning three points, jumped into fifth place.

$22,893 Mark Hit in School Fund Drive

The fund drive for a new school for St. John's parish in Ridge Road West, Greece, netted $22,893.23 according to figures revealed at a dinner report meeting held in the parish hall on Wednesday night. Milton Grapenstetter, general chairman of the campaign committee, emphasized that these were not final figures as some of the workers had not yet rendered full reports and others would need a few additional days to complete their returns.

In congratulating workers on their showing in the drive, the Rev. John J. Beier, pastor, said: "This is one of the biggest things ever accomplished in the parish."

Thirteen teams of the Eastern Division team, headed by Frank Moscraft, were presented with prayer manuals in recognition of their efforts in placing the division ahead of the other two. All other workers were given a crucifix. Presentations were made by Milton Grapenstetter and Norman Slayer.

Bishop Lauds K. C. Speakers Bureau As High Form of Catholic Action

Work of the Catholic Speakers Bureau of Rochester Council, Knights of Columbus is the highest form of Catholic Action, His Excellency, Bishop Kearney told the members at their annual dinner meeting Monday evening at Hotel Rochester.

Expressing his appreciation of the reported progress of the Speakers Bureau, Bishop Kearney declared that he had received many favorable reports from the priests of the Diocese.

The Bishop called attention to the recent statement of His Holiness, Pope Pius XII expressing pleasure at the increased activity of Catholic Laymen which was broadcast to the Confraternity of Christian Doctrine assembled in Boston.

Blesses The Work

He encouraged the activities of the speakers and concluded with a blessing upon their work.

Other guests at the dinner were the Rev. Arthur Ruligan, Chaplain of the Council; Francis T. Toomey, Grand Knight, and John M. Pietraszkiewicz, Chancellor of Council 378. The Rev. Paul Wahrlab, moderator of the Speakers' Bureau, also was at the speakers' table.

Chairman Eugene R. Cusker presided and reviewed the work of the Bureau in recent months. He pointed out the lively interest among Catholic groups and parish societies in the moral and social questions of the moment as indicated by the number of requests for members of the Catholic Speakers Bureau to appear before these groups to discuss such subjects as the arrest and imprisonment of Archbishop Stepinac, the seething labor question, the many aspects of Communism and the like.

Mr. Cusker stated that through frequent and regular discussion meetings, planned and assigned reading of the best available material in books, magazine articles and public addresses, as well as a continual study of the Encyclicals of the recent Pontiffs, it is the aim of the Speakers Bureau to have several speakers available to discuss from the Catholic viewpoint and based on authentic information such topics as may from time to time arouse public interest.

Prepare Brochure

It was indicated, for instance, that a number of members will participate in the group discussion of euthanasia set for Thursday evening, Dec. 12 in the K. of C. Club Rooms. The matter of mercy killing will be explored and studied from the moral aspect under the leadership of Father Ruligan and the position of the medical profession will be outlined and discussed by Dr. Leo M. Kalchmeister.

Mr. Cusker also announced future discussions and the preparation of well informed speakers on subjects about which a broader knowledge would be desirable such as the inner functioning of our own Catholic Charities, youth activities, with emphasis on scouting, Speakers on Catholic education, the Catholic press, laymen's retreats also will be included in the roster of speakers to appear in the forthcoming brochure for 1947 now in the process of preparation.

Father Wahrlab in his remarks as Moderator of the group, emphasized the distinction between the work of the Catholic Speakers Bureau and the many speakers bureaus now coming into existence and stressed the service which this bureau offers as interpreting the questions of timely interest in the light of Christian ideals and Christian principles as well as adding to the fund of knowledge on matters strictly spiritual.
