$10,000 Lithuania Drive To Be Opened Here June 9

A campaign to raise $10,000 for relief of unfortunate Lithuanians in Displaced Persons camps throughout Europe will be launched by Rochesterians of Lithuanian descent on Monday, June 9. The campaign will close on June 19.

The Rochester committee is headed by Miss Isabelle V. Rovas, assisted by the Rev. Frank Valuk. Other committee members are: Fidelity Chairman, Miss Helen E. Kendrat; Special Committee Chairman, John Valuk; Planning Committee Chairman, John Zelpis; Women's Division Leader, Mrs. Joseph Bukis; Men's Division Leader, L. A. Zingis.

Fr. Valuk

Martin Q. Moll is campaign manager.

"This is an appeal for a nation sunk in despair, suffering seven long, torturous years the agony of physical persecution and religious oppression," the committee states as the drive opening nears.

85 Per Cent Catholic

"This small democratic nation, 85 per cent of which professes the Catholic faith, has endured all horrors of modern warfare. The loss in human life and property was enormous, but worst perhaps of all was the displacement of its population.

"Over 100,000 Lithuanians have been deported by Communist Russia to Siberia and other distant and inaccessible parts of Soviet Russia. Another large group of Lithuanians, totaling 80,000 have found temporary refuge outside of their Homeland. Among these refugees are survivors of concentration and slave labor camps — three Catholic bishops, 230 priests, nuns, orphans, widows, students and others equally in need.

"All these refugees live under extremely difficult conditions. Their health has been impaired by the lack of proper food and medical supplies. Their clothing and shoes have long since been worn out, and their lodgings are flimsy and unheated. In a word, they need aid—urgently!

Make Direct Appeal

"The United Lithuanian Relief Fund of America," a member agency of the former National War Fund, has been providing all manner of aid to these destitute Lithuanian refugees and, when possible, to their less fortunate brethren in Lithuania. With the liquidation of the National War Fund, our agency is forced to solicit support directly from the generous Rochester people to carry on this necessary relief task.

"Therefore, in the name of the thousands of homeless and needy Lithuanians, we beseech your aid. We ask your prayers and sympathy, as well as your contributions; also we ask your interest in rescuing a nation and a language which is historically and culturally important to civilization."
