[illegible] St. AUBURN

You're not the only one who has to wait, Pup Dog. It's a safe bet your folks are waiting for a new car, new radio, new electric appliances or something. There's not enough material, men, machines or hours in the week to turn out and deliver all at once all that the wide world wants today.

Take our own case. The use of electricity in this area has doubled since 1939. Every year has broken all records of the year before. And we have doubled our generating capacity in the same period, added new substations and highlines, built hundreds of miles of lines to farms. We've spent $48,000,000 since 1939 and this will be increased to about $93,000,000 by the end of 1950.

But every other electric utility and every other industry have been building at high speed too. Deliveries of equipment get worse. It now takes up to three years to get new generating machinery that we used to get in twelve to fifteen months. So you know what waiting means.

[illegible] the handicaps and delays we are moving ahead, adding [illegible] and equipment fast as fast as we can, to anticipate [illegible] growing use of electricity, to serve the people on our [illegible]

35 From Auburn Honor Bishop

Auburn — Thirty-five Catholic laymen from Auburn attended the testimonial dinner in honor of Bishop James E. Kearney, commemorating his 10th Anniversary as Bishop of Rochester, at the Powers Hotel, Rochester last Monday evening.

The dinner was sponsored by the Laymen's Retreat League. Frank E. Wolfe of Rochester, president of the retreat league, was honorary chairman.

Bishop Kearney has been in many ways a special patron of the league. The altar in the retreat house at Geneva and many of its accoutrements are gifts from him. He has given, too, wholehearted support in his official capacity to the retreat work. The men of the retreat movement are glad that this occasion of the tenth anniversary of Bishop Kearney's tenure as Bishop of Rochester gave them an opportunity to pay some measure of their respect and honor to a great friend.

The Laymen's Retreat League comprises all the laymen of the diocese who make an annual retreat at the diocesan retreat house at Our Lady of the Lake, Geneva. It had its beginnings in the small group of men who in 1913 made the first men's retreat in the diocese at St. Bernard's Seminary in Rochester. From that year through 1941 there was an annual retreat held each year for laymen at St. Bernard's.

Retreats are held each weekend beginning in May and running through November. Each weekend sees a group from a different parish of the diocese making the retreat. While the season is not yet over it is expected that close to one thousand men will make a retreat this year at Geneva.

Edward Shleisinger and Secretary, George F. Schmidt.

Delegations from various points in the diocese attended the dinner. Mayor Edward Boyle of Auburn headed a delegation of 35 from that city.

Santa Clara's 2576 Tops St. Aloysius Bowlers

Geneva — The Santa Clara team of the St. Aloysius' Holy Name Bowling League led by their champ bowler Harold Jones went to town last Sunday and set a new high single of 958 and a new high three game total of 2576. This superb bowling was due largely to the fact that Santa Clara discarded their famous B. F. ball. Jones rolled 570; Francis Stapleton 509; Captain John Donnelly 502 and Eddie Russell just one pin below 500. Yet with all this great bowling, Santa Clara was able to take only two points for an even break with Notre Dame. The "Fighting Irish have come back fighting hard. Led by Bob Holmes who had 232, 140 and 222 for 594. Notre Dame took the first and third games from Santa Clara. Jack Friedel came back in the 500 ranks with 530 and John Terry just made the 500 mark.

Holy Cross, the hottest team in the league, took three points and first place from Loyola. This was the most important match of the day as it was the battle for the league leadership. The Crusaders, led by the two Paul Graneys took over first place by one point. Paul J. Graney continues his high-powered bowling by hitting 567; Captain Paul W. Graney helped out with 501.

STEVE TARBY of Loyola had the high three games of the day, 172,191 and 233 for a 596 total. Yet despite this great bowling by a master bowler, Loyola could salvage only one point from the on and coming Holy Cross. Well, Steve, it looks like you'll have to bowl 700 if Loyola is to come back into first place. Those Crusaders are really tough.

Bud Wilson pounded out a 577 to lead Georgetown to a three to one victory over Gonzaga. Captain Johnny Miskell, the Georgetown lead-off man had 539 and Bill Sullivan 504. Georgetown, last year champions are beginning to move toward the top.

Paul Friedal of Ganzaga continues to show why he is rated the A-1 bowler of the league. The last four weeks, Paul's total have been 569, 568, 559 and 569. Johnny Bodnar keeps up his fine bowling with 522. Bud Graney has his ball under control now as he demonstrated by knocking off 519, showing he is a son of Paul J. Graney like father like son. Despite this good bowling Gonzaga could only take one point.

Villanova is bounding back from last place in a very strong fashion. They have now taken over sixth place Vern Pinckney with 514 and Carmen Ottaviano with 513 led the Victorious Villanova to a white-wash over Canisius.

Captain Sonny Geno did great work for his Canisius team by rolling a 536 total and because of his bowling his team deserved better treatment.

Worthy of note is the fine bowling done by so many last Sunday, there were fifty percent of the bowlers who bowled 500 or better. Let's keep up the good work.

As stated by Mr. Kearns, "One of the main reasons for the large number of deaths from tuberculosis and cancer is the fact that many people do not know the warning signs of these diseases."
