SECURITY TRUST COMPANY'S
LIFE-INSURED MORTGAGE PLAN
Automatically cancels your mortgage debt in case of your death . . . leaves a home, not a debt!
THE COST IS VERY LOW:—
For instance, only $2.85 monthly at age 35 on $5000 mortgage, payable over 20 years.
No home owner would think of being without fire insurance, yet statistics show that the chances of a man dying before completing payments on a 20-year mortgage are 16 times greater than loss of his home by fire. This plan is your opportunity to wipe out that "16 to 1 chance!" . . . It means peace of mind to you and your family!
This low-cost plan is available to insurable home owners now financing their homes through the Security as well as prospective borrowers.
For full details ask for our folder "To Make It Your Home—Beyond The Shadow Of A Doubt."
