Friedel's 591 Tops Auburn Holy Name Bowling League

Auburn — Jack Friedel of Villanova for the second week in a row led the bowlers of the St. Aloysius' Holy Name Bowling League with a 591 total garnered on games of 165, 207 and 219. Friedel put pep in the Villanova lineup helping them to take three points from the Santa Clara Magicians. Captain Ralph Casbarro was inspired by Friedel's bowling and rolled 540 while Freddy Gilbert hit 521 to aid the Villanova cause.

Captain John Donnelly and Bill Dunn of the "Magicians" helped their team pull one rabbit out of the hat with their 186 and 183 games respectively.

Joe Elkovitch continues to keep up his fine bowling getting 575 for second high of the day and helped Holy Cross take three points from lowly Loyola. Paul J. Graney looked like his old self in the first two games which helped him total 516.

Loyola had a let-down from their high scores of last week and only in the first game with John Bacon, Bill Costello and Bernard Audet helping did they get one point.

GEORGETOWN'S power exploded in the first game against Notre Dame and was enough for them to coast to an even break with the league-leaders. Jack Madden has found the range and came up with 567 to inspire Andy Paddock to 535 and Bud Wilson to 530.

Bob Holmes with 526 and Captain Frank O'Connor with 506 kept Notre Dame from losing three points with their fine bowling in the second game which their team won by ten pins.

Joe Pucino looked like the blue ribbon bowler he was last year when he hit 545 to lead Canisius to an even break with Gonzaga. Joe's highest game 197 was in vain as it was rolled in the only game Canisius lost.

Bud Graney likes rolling anchor for the Gonzaga team as he has shown by rolling in the 500 brackets for two straight weeks. Bud's 501 helped his team to their two points. Charlie Rice is beginning to look like the Rice of the ABC alleys, and was a help to Gonzaga along with Sam Casborro and Wilson Long ho helped out in the last game.

Joe Elkovitch leads Terry's Turkey Trot with a 1120 total and is being hardpressed by Jack Friedel who has 870. Elkovitch has had five 200 games which average 224 while Jack Friedel has four which average 210.
