Players Urge Repetition Of Diocesan Cage Tourney

By HOWARD F. MEATH
CYA Program Director

Before closing the chapter on the 1950-1951 basketball season, this writer extends thanks to all individuals and organizations contributing to the success of the CYA Diocesan Basketball Tournament.

Many appreciated compliments have been paid to the Tournament Committee and the CYA staff and most gratifying of all were letters from the participating team players thanking us for inviting them and expressing a desire to come again another year.

To these boys I'd like to say thanks for your letters. You may be sure that your interest will be one of our major objectives in making our program plans for next year.

This tournament proved many things to our organization. It was not only a basketball tournament. It was an educational experience long to be remembered by many of the boys.

ONE LAD was overheard say: "Gosh, this is the first time I've been away from home, and am I having fun."

Team work in the games against competition made these boys think and made them make decisions as a group not as individuals. Where else can better characteristics of good citizenship be developed than in contests of this nature?

Sportsmanship was evidenced throughout the tournament. Regard for others and the rights of others was most noteworthy. One particular case witnessed was during the St. Stephen's, Geneva versus St. Augustine's game at St. Francis Xavier Hall.

Bill Wiley of St. Augustine's team, who at that time was eight points behind, corrected the official who had just made a close decision in favor of St. Augustine's. Bill let the official know that he had caused the infraction of the rule and that St. Stephen's should gain possession of the ball, not St. Augustine's.

To the many of us who had something to do with the tournament, this act was most commendable. Bill's example is something of which to be proud.

SOFTBALL SEEMS to be the important word at the CYA these days. The Parochial School League is set to start next week, weather permitting. Last minute details were discussed and problems ironed out in a committee meeting Monday afternoon at Columbus Civic Center.

League rulings, schedules and plans will be in the hands of responsible team leaders by the time this reaches you in print. Only strict adherence and individual respect for these rules will assure a sound Softball League.

Aquinas Mission Bouts Draw 4,000 Setting Record

"The 1951 Aquinas Mission Bouts were the most successful in history," according to the Rev. Arthur R. Looby, C.S.B., moderator, expressing the concensus of everyone from those associated with the bouts to each spectator.

Approximately 4,000 witnessed the finals held at the Sports Arena on April 13 when a record in attendance was set.

ALTHOUGH ALL 11 bouts were good, the Joe Merkel-Larry Corcoran welterweight clash, stole the show. Merkel emerged victorious over the classy Corcoran. As a reward for his efforts Merkel was presented with the Ray Hickok trophy, as the outstanding boxer.

Another highlight of the evening was the successful defense of their crowns by Frank Guelli and Bill Fackelman.

Guelli, Jr. Lightweight champ retained his crown by defeating Tom Messmer while Fackelman, the heavyweight king, TKO'd Bob Hanss in the second round, to reclaim his title.

The only knockout of the affair resulted in the middleweight division where Tom Raes KO'd John Eckl in 1:11 of the first round.

The card:
