THE BIG BOARD—This large report board for the Bishop's High School Jubilee Campaign is erected in the Culver Road Armory in Rochester. At the campaign' final report meeting in the Armory next Tuesday evening (Nov. 11) workers expect to record pledges totalling $3,045,000 for building of four new high schools as a diocesan tribute to Bishop James E. Kearney who will mark the 15th anniversary of the installation in Rochester on the same evening.

Faith Safe In China, Says Bishop

Brussels —(NC)— The present sufferings of the Church in communist China can be compared to the sufferings of childbirth and bear in themselves the promise of new life.

This message was given to Belgium's Catholics by an exiled Chinese Bishop who warned against the pessimistic view that, as a result of communist persecution, nothing could be done in China. The prelate, Bishop Thomas Niu Hui-Ching of Yanku, who is Apostolic Administrator of the Prefecture of Klayi on Formosa, said in a Mission Sunday message:

"The one thing necessary is safe: the Faith is safe in China, and, every day, Chinese Catholics confess their Faith. It is my ardent desire that Belgium's Catholics unite their prayers with those of China's Catholics."

Bishop Niu was one of three native Bishops at present in Belgium whose message was broadcast by the state radio. The others were Bishop Aloysius Bigirumwami, Vicar Apostolic of Nyundo in the Belgium Congo, and Bishop Paul Furuya of Kyoto, Japan.

BISHOP BIGIRUMWAMI, who was raised to the episcopacy last February and is one of four native African Bishops, expressed his gratitude to the Belgians.

"Everywhere, I was received as a son of the family," he said. "In the name of my countrymen, I thank the Belgians for their gigantic missionary effort . . . But much remains to be done. The greater part of the population is still pagan. We need more churches, seminaries and schools to train medical and social helpers."

St. Bonaventure Seminary Dedication Rites Slated

St. Bonaventure, N. Y.—(NC)—Two days of ceremonies will mark the dedication of the new $2,500,000 Christ the King Seminary here at St. Bonaventure University on November 10 and 11.

His Excellency Archbishop Amleto Giovanni Cicognani, Apostolic Delegate to the United States, will officiate at the dedication of the seminary's Chapel of St. John the Apostle November 10.

THE ARCHBISHOP also will offer a Solemn Pontifical Mass in the chapel. Bishop John Mark Gannon of Erie will preach the sermon. In the afternoon, Bishop Edward McManaman, Auxiliary of Erie, will officiate at Solemn Pontifical Vespers in the chapel.

The following day, Bishop Joseph A. Burke of Buffalo will offer a Solemn Pontifical Mass in the chapel in conjunction with the dedication of the seminary. The sermon will be preached by Bishop William T. McCarty, C.SS.R., of Rapid City.

CONSTRUCTION of the seminary was started in November, 1948. The new four-story Florentine-style building will replace the present seminary facilities in Devereux Hall.

A fire in 1860 destroyed the old church, monastery and seminary here at St. Bonaventure and since that time seminarians have been using the facilities in Devereux Hall, originally a college dormitory.

Father Thomas Plassmann, O.F.M., rector, said that 225 students from 30 States throughout the country, have enrolled for the fall-spring term at the seminary.

Parish VIP

Good reason for "popping their buttons" is given to Mass servers of all ages in a newly published book, Letters to an Altar Boy, written by Father David R. Kemper, Spokane, Wash., diocesan youth director, who assures them that they are "the most important people" in their parishes. "God's Minute-men" is what he affectionately calls these boys who must be on call for duty at all times, even on the coldest of winter mornings. Cartoons of Jimmy the Altar Boy by Junior Walters add to the informality of the book published by Bruce.
