Junior Chamber Issues Speakers Directory

The Speakers' Clearing House Committee of the Rochester Junior Chamber of Commerce, under the chairmanship of William L. Bennett, has announced the publication of the second edition of the "Speakers' Clearing House", a guide to the available speakers and motion picture films in the Rochester area.

The booklet is intended to aid the officers and program chairmen of parish, fraternal, social and recreational groups in their planning of interesting and varied programs for their membership and it brings together in capsule form a wealth of information ordinarily not available to the individual officer or program chairman.

THE 1954-1955 EDITION lists 600 subjects and is twice as large as the previous edition. Topics range from advertising, alcoholism, atomic energy, careers and family to scouting, world affairs and youth.

On these and many other informative and entertaining topics, the booklet lists the available speaker, his business connection, address, phone number and length of talk. With few exceptions, the speakers listed have expressed a willingness to speak at meetings without charge.

A new feature of this year's edition is a section devoted to motion picture films, many with sound. One hundred and eighty-nine films are listed as available from the Reynolds Audio-Visual Division of the Rundel Memorial Library in Rochester, the Film Library of the New York State Department of Commerce, and various business concerns.

A copy of the booklet may be obtained by telephoning Miss Dorothy Watson at the Rochester Junior Chamber of Commerce at HAmilton 6300 or by writing to Speakers' Clearing House, Rochester Junior Chamber of Commerce, 55 St. Paul Street, Rochester 4, New York.

Catholic groups should find the booklet a valuable adjunct to the services already available through the Knights of Columbus Speakers' Bureau and the Speakers' Bureau of the Rochester Council, National Council of Catholic Women.

High Tribute Paid India Salesians

Madras, India—(NC)—A glowing tribute was paid to the work of the Salesians of St. John Bosco in India by His Eminence Valerian Cardinal Gracias, Archbishop of Bombay, at a public reception here in his honor.

Greeted on a visit to the city by numerous non-Catholic as well as Catholic leaders, India's first member of the Sacred College of Cardinals, referred especially to the work being done by French-born Archbishop Louis Mathias, Archbishop of Madras, who is a member of the congregation founded by St. John Bosco in Turin, Italy, 100 years ago.

The principal work of the congregation is education of all kinds — elementary, secondary, technical, agricultural and social.

Catholic Faith Talks Draw 3,500 On Boardwalk

Atlantic City, New Jersey—(NC)—Over 3,500 people participated in the ten outdoor meetings of the Catholic Evidence Guild of the Camden, N. J. Diocese held on the famed Atlantic City boardwalk during this summer. Figures on the program were released by Father Edward J. O'Connor of St. Nicholas Church, Egg Harbor City, N. J., the Guild's moderator.

TWO SPEAKERS were presented at each of the two hour sessions. They spent ten or fifteen minutes explaining a frequently misunderstood doctrine or practice of the Catholic Church. At the conclusion of the prepared talk, the speaker answered questions presented by the audience for the balance of the hour.

Topics discussed included: Miracles, the Existence of God, Church and Science, Natural Rights, Infallibility, Sacramentals, the Blessed Virgin, Divorce, and Extreme Unction.

Many of the vacationers making up the audience remained for the entire two hour program despite the other attractions of the boardwalk.

The Guild is now making a drive for additional members so that it may be able to increase the number of its boardwalk meetings next summer.

Ohio Court Upholds Sunday Closing Law

Toledo, Ohio—(RNS)—A ruling by Lucas County Common Pleas Court upholding Ohio's 19th century law against Sunday work was hailed here as a victory for Toledo churches and labor unions.

The ancient statute was invoked by William F. Sturm, secretary-treasurer of the Retail Clerks Union, A.F.L., who charged that Sunday operation of six local stores was unfair competition to establishments which his union represents that do not keep open on Sunday.

A spokesman for Bishop George J. Rehring of Toledo said the diocese always had objected to unnecessary business being transacted on Sunday. He added that in recent years the Sunday-opening "abuse" had increased in the Toledo area.

First Aid Materials

In 3 cases out of 4, victims of home accidents are engaged in such simple activities as walking on level ground, standing, sleeping, sitting or reclining. Countless minor home accidents are easily treated when the medicine cabinet is supplied with these basic first-aid materials: adhesive tapes and bandages, antiseptic, burn ointment, roll gauze.

Accident Aids

Accident traps in the home annually account for one-fifth of the 5,000,000 home accidental deaths and injuries. "Emergencies Don't Wait" Week has been proclaimed by Mayor Dicker to urge us to eliminate these hazards and to replenish our medicine cabinet with such first-aid essentials.
