St. Stephen Drive Goal Surpassed In Geneva

Geneva — A total of $163,815 was the amount surpassing the minimum goal announced by volunteer workers in the final report of St. Stephen School Building Fund campaign.

The Rev. Raymond P. Nolan, pastor, announced the campaign total at the conclusion of a report meeting which was held in St. Stephen School. Father Nolan said he "was most appreciative of the generosity of his parishioners whose loyalty and support put the campaign over its minimum goal of $150,000." The pastor extolled every worker who played an active part in the drive. He said that "a job of this magnitude could not have been accomplished without the support of these men who have worked so hard to make the campaign a tremendous success."

THE DRIVE, which began eight weeks ago, was directed by Community Counselling Service, Inc., whose headquarters are in the Empire State Building, New York City with regional offices in Albany and Fairfield, Conn. This firm has conducted over 300 successful fund raising campaigns for Catholic Churches and institutions throughout the United States and Canada and is represented in the Rochester Diocese by Martin A. O'Brien, a resident of Lochland Road, Geneva.

Proceeds of the campaign are to be used to help defray construction costs of a new eight classroom school addition which is to be located on Elmwood Ave. and will be joined to the existing school by means of a corridor. In order to build the school addition, three houses on Elmwood Ave. will have to be razed. Father Nolan stated that he expects to start work on the project in the very near future.
