SODALITY RECEPTION taking place at McQuaid Jesuit High School is presided over by His Excellency Bishop Kearney with the Very Rev. James R. Barnett, S.J., rector, assisting. Twenty two boys were received into Sodality and 14 into the Guard of Honor.

# Mary's Day Marked At McQuaid High

In a solemn ceremony marking Mary's Day at McQuaid Jesuit High School His Excellency Bishop Kearney received 28 second year students into the Sodality of Our Lady and 14 boys into the Guard of Honor.

**ADDRESSING THE** entire faculty and student body Bishop Kearney stressed the importance of spiritual organizations in school life. He pointed out that these organizations present an ideal for the student who wishes to aim at excellence by doing something extra.

"These spiritual organizations must set high standards because not every boy is entitled to wear the medal of Mary's sodality on his lapel," said Bishop Kearney. "Only boys who have shown their devotion to the Mother of God by living up to the ideals of the sodality are entitled to the privilege of wearing her medal."

The new sodalists made a temporary act of consecration pledging themselves to live the sodality way of life for one year. They will merit the right to make a permanent act of consecration before graduation by being faithful to their temporary pledge, a spokesman said. The Guard of Honor is a group whose members pledge themselves to pay special honor to Our Lord in the Blessed Sacrament by receiving Holy Communion at least three times each week.
