Coeds Volunteer Summer Duty At Lourdes Shrine

Notre Dame — (NC) — After hearing a visiting lecturer describe how she had been cured of a serious ailment at the Grotto of Lourdes, three students of St. Mary's College, Notre Dame, Ind., formally committed themselves to summer duty at the famous Shrine in southern France.

The students, all juniors, are Susan Fitzgerald, Evanston, Ill., Mary Jo Shipp, Tulsa, Okla., and Patricia McNealy, Fairbanks, Alaska.

Mrs. Winifred Feely, an Englishwoman, who gave the lecture here is now on tour of the United States.

Miss McNealy, who previously worked at one of Alaska's Indian missions during her time away from school, will serve at Lourdes under Mrs. Feely, in thanksgiving for her cure of ten years ago. Mrs. Feely has been a volunteer helper in the medical bureau of the shrine every summer since.

Father Peyton's

Rosary Crusade 18 Years Old

By AL ANTCZAK

Los Angeles—(NC)—Father Patrick Peyton's Family Rosary Crusade turned 18 Jan. 31 — still young, blossoming and full of hope.

And the big, greying Holy Cross priest is still as tireless and untroubled as a missionary on his first assignments.

The 18th anniversary was not so much a milestone as a soft "Gloria Patri" between decades for Father Peyton who stopped here en route from Manila to Santiago, Chile.

(He has visited Rochester and Elmira several times.)

IN AN INTERVIEW he discussed typically—not so much statistics and reminiscences but hopes and plans for the future.

Typically too, before starting the interview he said, "Let's first say a Hail Mary." It was characteristic of him. Everything begins and ends with prayer.

A fist as big as Ingemar Johansson's held a black rosary and a voice as gentle as a father's spoke tenderly the prayer to Mary.

Then, with awe as if it were the first time, he told of the crusade. Like the front-line infantryman who has dropped all unnecessary gear, Father Peyton spoke only of two weapons —the power of the Rosary and the love of Our Lady.

His supply problem is simple: rosaries. Right now he needs a million of them to give free to the poor of South America. He asks friends of the crusade to help provide them by sending a dime for a rosary, ($100 will buy 1,000) to Family Theater, 7201 Sunset Boulevard, Hollywood, Calif.

The campaign has taken Father Peyton to nations on six continents, North and South America, Europe, Asia, Australia and Africa.

In 18 years, he said, 15 million persons had signed pledges to say the Family Rosary.

U.S. Reported Apathetic To World Refugee Year

Geneva—(RNS)—Dr. Elfan Rees, chairman of the International Committee for the World Refugee Year, complained here that the aims of the Year are "not getting the same play in the United States" as in Great Britain. He said there was a notable difference in the alertness of the information media in the two countries.

"IN BRITAIN," Dr. Rees reported, "references to the Year in television programs, for instance, have been so frequent that there was even a risk of the public becoming bored with the subject."

However, he added, he had just returned from a tour of the United States where he found people in many places "who did not know what the World Refugee year was, or whose knowledge was very hazy."

One of the main concerns in connection with the Refugee Year, he said, was that people would think that the refugee problem would be over when the Year finished. He said this would be "a disaster, public relationwise."

"The most I expect during the Refugee Year," he added, "is that we can do twice as much as in an average year of indifference."
