For A Fine Selection in Books and Pamphlets honoring St. Joseph!

After the Mother of God, not one of the children of men was ever so gifted and adorned with natural and supernatural virtues, as was St. Joseph. In purity of heart; in chastity of life; in humility, patience, fortitude, gentleness and manliness of character, he reveals to us the perfect type and model of the true Christian.

From his throne of glory in heaven, St. Joseph watches over and protects the Church militant, and no one who calls on him in need ever calls in vain. He is the model of a perfect Christian life, and the patron of a happy death. His patronage extends over the Mystical Body of Christ; over the Christian family, the Christian School, and all individuals who in their need appeal to his charity and powerful intercession, especially in the hours of death.

McCurdy's

EVERYBODY ON OUR BLOCK HAS A NEW COAT FOR SPRING

". . . and it all began with my brother and me, of all things, agreeing on something! We went hunting for new spring coats, and when we saw those smart navy regulation styles at McCurdy's . . . believe it or not, we both wanted the same one! But of course, I can tell you they look very different on. His buttons on the wrong side (at least it looks that way to me) and I have a beautiful beret, and he just has a plain peak. (Elon some one said) cap."

NAVY WOOL REGULATION COATS, 3-6x, 12.98

"Then all the kids on the block had to be copy-cats and want new coats. Even Cutie (she's the cute 2-year old on the corner) got a darling new corduroy one with chicks somehow stuck around the bottom. And when she puts on her poke bonnet, she's prettier than ever."

WASHABLE CORDUROY COAT AND BONNET SET, blue or white, 1-3, 10.98

"Then that sophisticated girl who lives down the street (she should be, she must be over 10) . . . well, she looks even more sophisticated in her new navy and white checked coat. I love the way it's so small at the waist and aways when she walks (she says that's because it's very well made and all gored in the back).

100% WOOL NAVY CHECKED COAT, 7-12, 21.98

"And actually it all ended up with the whole block agreeing on something . . . because we all bought our new coats at those exciting shops in McCurdy's. But right away the argument began about whose was the prettiest . . . of course, we each like our own the best."
