Watching The Screen

Bubble Bubble

By RAY SMITH

A first-rate film re-creation of a thrilling historical event for the WHOLE FAMILY comes to the Palace Theatre under the name of "SINK THE BISMARK." This British film concentrates almost entirely on the cat and mouse aspect of the great sea chase. I think it's one of the best flickers to come out of the British Isles since tea bags became popular.

The film opens with the chilling news that the "unsinkable" battleship, the Bismark, has escaped the British naval blockade and is loose in the North Atlantic. After it sinks the Hood, considered the greatest battleship in the world, it appears nothing can stop the German warship from rendezvousing with its sister ships holed up at Brest.

Instead of checking your history book to learn if they did sink the Bismark, take yourself and everybody else in the household to the Palace Theatre to see this very good sea drama. It's well worth the trip.

CONTEST NEWS—Have you entered yet? Where is YOUR postcard? In case you forgot what we're looking for, here are the choices. Pick one in each category which you think will win an ACADEMY AWARD and send your guesses to me by March 31st. The grand prize is 40 passes good to July 1st at our four downtown Rochester Theatres. Pick one from the following:

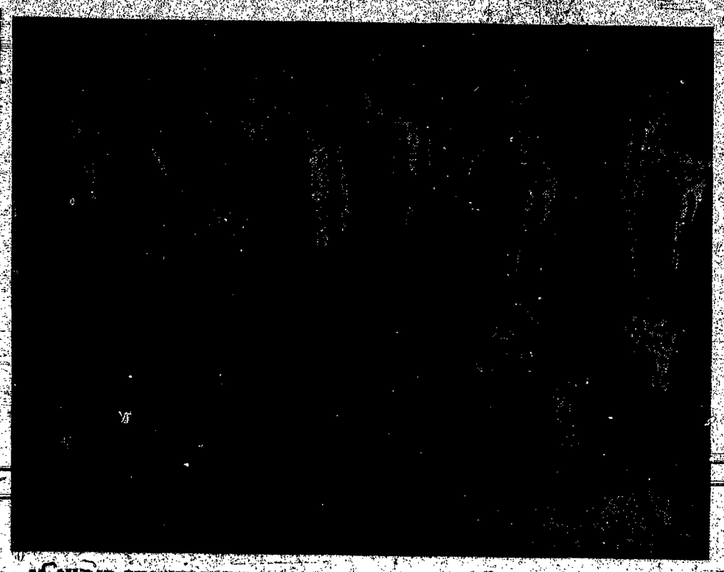
Best Picture — "Anatomy of a Murder"; "Ben-Hur"; "The Nun's Story"; "Diary of Anne Frank"; "Room at the Top". Best Actor — Laurence Harvey; Charlton Heston; Jack Lemmon; Paul Muni; James Stewart. Best Actress — Doris Day; Audrey Hepburn; Katherine Hepburn; Simone Signoret; Elizabeth Taylor. Best Song — "The Best of Everything"; "The Five Pennies"; "The Hanging Tree"; "High Hopes"; "Strange Are the Ways of Love." There they are. Now tell me what you guess.

THE FAMILY tag is also on the Loew's Theatre this week at the action-filled "THE LAST VOYAGE" docks on Clinton Avenue South. For pure excitement it will be hard to surpass this 91 minute movie during the coming months. Very good acting enhances this very good film.

I have been saying that "THE STORY ON PAGE ONE" will be at the Paramount Theatre so many times that ADULTS ONLY will be wondering what's wrong with me. Well, it's finally coming this week (I think).

HORNELL — Sunday brings to the Majestic Theatre the court-room drama, "THE STORY ON PAGE ONE" for ADULTS ONLY. I told you all about it last week. Remember? Thursday (17) ADULTS ONLY will enjoy the crime-filled "THE PURPLE GANG" and "ATOMIC SUBMARINE." They're both good.

ELMIRA — In my opinion you don't have much to look at this week in the Elmira Theatre has the "B" movie "Solomon and Sheba" and the Colonial Theatre has "Suddenly, Last Summer." If I didn't have TV, I'd listen to the radio instead of seeing this one.



McQUAID JESUIT HIGH SCHOOL students rehearse a scene from "Julius Caesar" to be presented March 18 and 19 at Our Lady of Mercy High School auditorium.

Legion Condemns American Movie

The National Legion of Decency announced that it had placed in its "C" or Condemned classification the Albert Zugsmith production, "The Private Lives of Adam and Eve," to be released through Universal-International and starring Mickey Rooney and Mamie Van Doren.

The Legion said: "This film makes use of the scriptural account in the Book of Genesis of the origins of mankind in order to exploit the sensational. The story, developed in an atmosphere of buffoonery, is judged to be blasphemous and sacrilegious in its presentation of man's sex life as the invention of the devil rather than as the handiwork of God. This unconscionable offense to religion is compounded by the treatment in which the film-maker resorts to indecencies and pornography that are blatant violations of Judaeo-Christian standards of modesty and decency. It is more regrettable that this film bears a Code Seal of approval of the Motion Picture Association of America."

This is the first time since 1956, said the Legion, that it has been found necessary to condemn a film of a major American motion picture company.
