Cardinal Condemns Modern Liturgy

Chicago — (NC)—John Cardinal Cody of Chicago has condemned an "avant garde" liturgical service held here during a "Day of Information" sponsored by the Chicago Conference of Laymen.

The service included African, "soul" and "psychedelic" music, an Offertory dance and the use of French bread for the Eucharist.

In a statement Cardinal Cody said permission has not been given to individual parishes — "nor will it be given" — to conduct any services "not in keeping with the devotional spirit of the liturgy." Non-liturgical "elements" are forbidden in Masses, he added.

The cardinal also pointed out that the CCL is "not approved by the archdiocese and has no connection with it."

St. Martin dePorres Center Report Due

Extension to Thursday, Dec. 19, for reports from the 200 volunteers in the St. Martin dePorres Development Fund Campaign was announced this week .

Thomas H. Brenna, campaign chairman, urged committee men and women to complete their solicitation and to report Thursday at 7:45 p.m. in Blessed Sacrament School hall.

Aim of the $100,000 drive is purchase or construction of a larger building to replace the Center's present small quarters at 537 Clinton Ave. North, as well as funds to continue its work for the inner city poor during 1969-70.

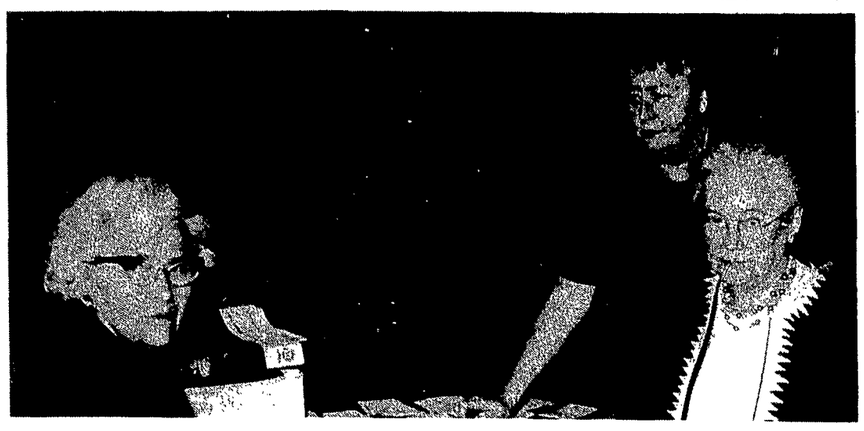
Thomas H. Brenna and Alfred G. Boylan head the campaign committee. Temporary campaign headquarters are open daily at 562 Main St. East, 454-1950.

Essential to the continuance of the St. Martin Center, which aids poor Whites, Negroes and Puerto Ricans in the Clinton-Joseph Avenue neighborhood for the last six years, has been the assistance of more than 100 volunteers.

Volunteer help also typifies the campaign headquarters. Clerical aid has been contributed almost every day, on several evenings, and on Saturdays.

Among regular volunteers have been Miss Alice Ford, Mrs. Dorothy Korn, Mrs. Anna McDonald, Mrs. Rose Hunter, Mrs. Patricia Marsh, Mrs. Rita Kramer and Miss Mary Ann Lane.

Typist volunteers have included eight members of the Rochester Chapter, National Secretaries Association, under the leadership of Miss Mary Jane Merrill and Mrs. Marion Linton.



Volunteer clerical help has featured the current St. Martin dePorres Development Fund Campaign. Pictured with Mrs. Lynn F. French (standing), campaign director in charge of the temporary drive headquarters are Mrs. Dorothy Korn (left) and Miss Alice Ford.

Widows, Wives Eligible for VA Educational Aid

An estimated 9,428 New York State widows of veterans who died as the result of military service will be eligible for up to 36 months of educational assistance from the Veterans Administration beginning Dec. 1, James E. Pigott, manager of the Buffalo VA regional office, said.

Starting Dec. 1, the wives of New York State's 10,480 totally and permanently disabled veterans will also be entitled to VA educational assistance payments of $130 a month — up to a maximum of 36 months — for full-time institutional training.

Widows and wives now eligible for this benefit will have until Dec. 1, 1976, to complete their training under this program, Pigott explained.

He said that women who become eligible in the future for VA educational assistance due to the service-connected death or permanent and total disability of their husbands will have eight years to complete their training.

Eligibility of widows and wives does not depend on when their husbands served in the armed forces. However, he added, if a widow remarries or a wife divorces her disabled husband she loses her entitlement.

Pigott emphasized that it will not be necessary for eligible widows and wives to contact the VA for detailed information on this new program; in the near future the Veterans Administration will mail explanatory material.

Seminaries Plan To Share Facilities

Dubuque, Iowa — (RNS) — The Theological Seminary of the University of Dubuque and Aquinas Institute of Theology have announced an "ecumenical" sharing of facilities.

The contract between the Catholic institute of the Dominican Fathers and the United Presbyterian seminary provides for the housing of unmarried students from the Dubuque Theological Seminary at Aquinas Institute, a sharing of classroom and office space, and the shared use of the Aquinas auditorium.

Previously announced plans call for the construction of a library facility by the seminary on land adjacent to Aquinas Institute which will house the combined book holdings of the two seminaries. It will have a capacity for 200,000 volumes and will be one of the major theological libraries in the country.
