## Students Receive Kodak Scholarships

J. Erik Hemdal and Linda C. Schmitt, seniors at Cardinal Mooney High School, will receive 1979 Eastman Kodak Company Merit Scholarship awards. They are among 21 high school seniors, sons and daughters of Kodak people throughout the U.S. who have earned awards ranging from $500 to $3,000 annually.

Erik, the son of Robert and Bertha Hemdal, Lake Meadow Drive, is a member of the National Honor Society and plans a career in electrical engineering or communications. He experienced some of the realities of the business world working at WGMC-FM, the Greece radio station. In 1976 he was named public affairs director and newscaster for the year. Erik's parents work at Kodak Office.

Linda, who received a "Miss Spirit" award as a Catholic Youth Organization cheerleader, plans to be an accountant following graduation from St. John Fisher College. She has won awards for high averages in mathematics, her favorite subject. Daughter of Mrs. Virginia Schimitt, Whittier Road, she has worked at a restaurant and in child care. Her mother works at Kodak Office.

James S. Burce, senior vice president, corporate relations, will host a luncheon on Tuesday, April 24, at the Kodak Marketing Education Center for Rochester area recipients and their parents.
