Colonel Louis Ernst had to take out his naturalization papers this week. It appears the Colonel's father never took out papers and his son, supposing he was a citizen, neglected doing so either.

A Young Men's Catholic Association was organized last Sunday at St. Joseph's church with a membership of 74. Officers will be elected to-morrow afternoon. The new organization proposes to fit up quarters with all kinds of amusements, library, etc. The JOURNAL extends congratulations.

The new parochial school building in Holy Cross parish, Charlotte, is now nearly completed and is one of the handsomest edifices of the kind to be found anywhere. Father Fitzgerald has purchased for it a handsome new bell which will be blessed Sunday, November 9.

The people who recently got "bit" in a wildcat loan association will hereafter be cautious how they allow their names to be used as directors of concerns of which they have no knowledge; neither will they be likely to be "gulled" by the flattering prospects of future profits held forth by scheming adventurers.

Wednesday evening Peter Sheldon was tendered a reception by his friends at his residence on East Main street, the occasion being his fortieth birthday anniversary. There was a large gathering and everybody enjoyed themselves. An elegant supper was served.

About fifteen years ago he came to this country. While here he was not actively engaged in business owing to his age and infirmities. Three sons, James of this city, Michael and Morris, who reside in the West, and four daughters, Mrs. John Kerns and Bridget Flynn of this city, Mrs. Thomas Doyle

of Sodus, and Mrs. John King of Hunter's Point, survive him.

Misses Agnes and Anna Norman, of Frank street, leave for New York on Monday next for a couple of weeks' vacation.

The Catholic News has the following complimentary notice of Vicar-General Dr. Jas. F. O'Hare:

"Rev. James F. O'Hare, rector of the Church of the Immaculate Conception, Rochester, N. Y., whom Bishop McQuaid has chosen for his Vicar-General in succession to the late Rt. Rev. Mgr. J. T. McManus, is a native of Rochester. He was the first priest ordained by Bishop McQuaid for the diocese of Rochester. His ordination took place in the Rochester Cathedral September 5, 1869; the celebrated English priest, Father Anderson, then on a visit to Bishop McQuaid, preaching the sermon. Father O'Hare was stationed for several years at the Cathedral as assistant priest. His fidelity to duty and the success attending his labors marked him out for speedy promotion. His first pastoral charge was the important parish of St. Bridget's, Rochester. In 1876 he was made rector of the Cathedral; in 1886, on the death of the lamented Father Michael Meagher, rector of the Immaculate Conception, and now Vicar-General.

A handsome new communion rail has been placed in St. Mary's church. It is of pure bronze and consists of six long spans supported by a handsomely carved and designed stand and surmounted by a heart with a cross in the center, the rail proper being held in position by a trefoil ornament. The gates in the center are Gothic and exceedingly pretty. The rail was made by the firm of Einbigler & Adler, New York, and is an exact fac simile of a special Parisian design and it is the only communion rail of this pattern in the United States. This latter information was gleaned by the reporter from Robert Blake, foreman for Einbigler & Adler, who is here personally superintending the work of placing the rail in position. It makes a very handsome addition to St. Mary's and we congratulate its pastor upon the good taste displayed in its selection.

This communion rail is a magnificent monument to John Byrnes and Dennis Doyle, whose names are engraved on the base of the center gates. They are the only ones during Father Stewart's pastorate of twenty years who bequeathed anything to St. Mary's. This is a fitting acknowledgment of their kindness, and reflects credit on Father Stewart. His gratitude for favors to his church is boundless. Who will be the next to merit recognition at the hands of the pastor of St. Mary's.

Supreme Council Convention.

The Supreme Council Convention was called to order Tuesday of last week at Niagara Falls. James L. Whalen of this city, and James A. Flanagan of Seneca Falls, attended from the diocese of Rochester. There were 33 delegates out of 35 present. The reports of the officers showed the order to be in a flourishing condition. There is a surplus in the treasurer's hands of \$1,841. According to Supreme Recorder Hickey's report there are now nearly 30,000 members of the C. M. B. A. in the United States and Canada.

A suggestion of the supreme legal adviser relative to the investment of the reserve funds in the name of the Supreme Council was referred back to the Grand Councils.

The official organs of the various Grand Councils were declared organs of the Supreme Council. This action makes the JOURNAL an organ of the Supreme Council.

On motion of James L. Whalen, the convention decided to instruct the district deputies to hereafter make their reports to the Grand Deputy in their section; the Grand Deputy will, in time, present a summarized report to the Grand President. This action will enable the Grand Deputy to always know the exact condition of every branch within his jurisdiction, while the Grand President will be saved the perusal of a large number of reports.

On motion, also, of Mr. Whalen, the council voted to print in the back of the revised constitution, a memorandum showing the sections that have been amended.

The following officers were elected: President, James McGary, Franklin, Pa.; first vice-president, Michael Brennan, Detroit, Mich.; second vice-president, P. A. Bennet, Louisville, O.; supreme recorder, C. J. Hickey, Buffalo, N. Y.; supreme treasurer, J. M. Welch, Hornellsville; supreme marshal, D. D. Hughes, Titusville, Pa.; supreme guard, A. Valentine, Detroit, Mich. Two members of the board of trustees were elected, W. J. Bulger, Chicago, Ill., and E. J. O'Brien, Guelph, Ont. The committee on laws was re-elected: J. J. Hynes and E. Bertrand, jr., Buffalo, N. Y.; John Maher, Peterborough, Ont. The finance committee elected is composed of James A. Flanagan, Seneca Falls, chairman; James L. Whalen, Rochester, secretary, and J. W. Breen, Detroit, Mich.

Montreal, Canada, was selected as the place of the next convention. The convention closed Thursday evening. In the afternoon the delegates were given a trip around the Falls, on both the American and Canadian sides by Branch No. 1.

Branch 134 is to be congratulated on its handsome new quarters.

At its last meeting Corpus Christi Branch, No. 139, decided that each member should bring in, at least, one new applicant. Accordingly there is great "hustling" in that parish, and it is safe to say, no eligible candidate will escape a button-holing.

Supreme Representative James L. Whalen was accompanied by Mrs. Whalen on his trip to Niagara Falls, to attend the recent convention.

Sergeant Fitzgerald, of the twenty-sixth police precinct, New York city, and a delegate to the Supreme Council, was in the city Saturday, Sunday and Monday, the guest of James L. Whalen. Sergeant Fitzgerald was accompanied by his wife. They left for home Monday night.

Nine doctors in this City Failed to Cure Rosa Wolf.

"During the last five years my daughter, Rosa, had been under the care of nine different doctors in this city, and I have paid them over one thousand dollars, which I imagine might just as well have been thrown in the fire, as they failed to do her any good whatever, and in fact she kept getting worse all the time. Some said she had worms, others said she had a nervous system, others said she had a brain ailment, others said she had a stomach and heart. Each doctor had a new name for her disease, but none could even relieve her. She had such intense pains in the stomach and bowels that her screams alarmed the neighbors. The smallest bit of bread or cracker put her in terrible agony. The sight of a bowl of food made her sick. The stomach and bowels would bloat to nearly twice the natural size, and she could scarcely breathe or sleep. Portions of the lining of the stomach and bowels came away at each passage, and the pain at such times was terrible. She lost weight in less than six weeks, and in this condition I took her to Dr. Freeman, President of the Polytechnic Medical Institute, 105 Franklin street. He told me at once where the trouble was, and that it was not yet late to save my child, although I had given up all hope of her living. His medicines acted like magic, and in less than four weeks she was entirely free from all pain, could eat anything, and gained flesh rapidly. We consider her cure a miracle, and no one can realize how grateful we feel to Dr. Freeman. I live at 99 Scranton street, and would like those interested to call and see for themselves. "MRS. JOSEPH A. WOLF."

Office hours at the Institute from 10 a. m. to 3-30 p. m., and from 8 to 8 p. m.; consultation free.
