Members of the C. M. B. A. should make a sacrifice, if necessary, to be present at the last meeting of their respective branches in the current month. At these sessions, officers will be nominated for the ensuing year and it is of vital importance that the best qualified members of each branch be placed in nomination. Upon the individuality of the officers and the interest taken by them in the organization depends much of its success. And while the C. M. B. A. is a grand order and rapidly gaining ground, it can be made a great deal stronger and a much greater power for good than it is at present. Every Catholic young man should belong to it and brothers should be elected to office who can appeal to and win the young men. Therefore, all should try to be present at the last meeting in November of their branches

He also referred in pleasing terms to the handsome new quarters. A vote of thanks was tendered the district deputy. The next meeting of 81 will be held Nov. 24, at which time officers will be nominated for the ensuing year. One application for membership was received at the last meeting of Corpus Christi Branch, No. 139.
