ASSERBLY The assembly was called to: By unanimous consent the house then: on motion of Mr. Sherman, the senate proceeded to executive business.

The attendance in the house today was small, and nothing but private business

WASHINGTON, Jan. 7.-No business of importance was transacted by congress to-

Several-eulogistic speeches were delined Washingrow, Jan. 9.—In the senate to ered by Mr. Muzpky's admirers and the day the joint resolution introduced by Mr. McPherson authorizing and directing the secretary of the treasury to suspend all parchases of silver bullion under the act of July 14, 1890; was taken up, and Mr. McPherson addressed the senate. The text of his speech was the plank in the last Democratic national convention denouncing the Sherman bill as a cowardly makeshift, and declaring that that legislation must be repealed.

Mr. Teller declared with much emphasis that the Sherman law would not be recertain; and those who desired its repeal fairs and their financial views with that full understanding. The District of Columbia appropriation

bill was passed. In the house the committee on interstate and foreign commerce reported a bill for the establishment of a mational quaranand protect their stockades with quisan tine. This measure is similar to the wifich whark bamboo stelles are fixed and Harris bill now under discussion in the Washington, Jan. 10.—The bill grant-

ing additional quarantine powers and imposing additional duties on the marine hospital service was taken up in the senate today, the pending question being on the amendment offered by Mr. White that all provisions of the act shall expire on Jan. 1. 1895." The section authorizing the president to suspend immigration was amended by making it read "prohibit in whole or in part the introduction of persons and property." The section was then agreed to yeas, 37, nays, 10.

Mr. Miller offered a resolution in the house reciting the report that the Pennsylvania Railroad company is discharging men because they are members of the labor union, and authorizing the committee on labor to inquire whether there is any remedy to prevent this outrage, upon people who are obliged to labor. A bil was passed permitting the Norfolk and Western railroad to enter the District of Co-

nothing new when we state that it pays to engage in a permanent, most healthy and pleasant busi-

ness, that returns a profit for every day's work. Such is the business we offer the working class. We teach them how to make money rapidly, and guarantee every one who follows our instructions. faithfully the making of \$300.00 a month. Every one who takes hold now and works will surely and speedily increase their earnings; there can be no question about it; others now at work are doing it, and you, reader, can do the same. This is the best paying business that you have ever had the chance to secure. You will make a grave mistake if you fail to give it a trial at once. If you grasp the situation, and act quickly, you will directly find yourself in a most prosperous business, at which you can surely make and save Edwin Pardridge. There is apparently large sums of money. The results of only a few hours' work will often equal a week's wages. nothing in the way now of discipline for Whether you are old or young, man or woman, it makes no difference. — do as we tell you, and success will meet you at the very start. Neither experience or capital necessary. Those who work for us are rewarded. Why not write to day for full particulars, free? E. C. ALLEN & CO., Box No. 420, Augusta, Me
