He called the attention of the members of the congregation to the large amount expended for improvements, the new hall being included in the amount. The balance was expended for asphalt pavements and stone sidewalks around the church property. He also reminded them that the 50th anniversary of the organization of the congregation would be celebrated this year, and he expects it will be the grandest affair ever held in the church.

Peter A. Vay having tendered his resignation as captain of the Knights of Sts. Peter and Paul, John Flaus was elected to fill the vacancy. Ferdinand Roeser was elected 1st, and Wm. H. Bruckel 2d Lieutenant.

The former, through the medium of pure wines and other like elixers or rejuvenators, and the latter through those so chosen by the same divine authority. Given Up to Die
By Physicians and Friends. Restored to Health by Dr. Freeman.
WHAT $5 per Month WILL DO FOR YOU
Hundreds of people in Rochester have told of the wonderful cures performed by Dr. Freeman, at his institute, 105 Franklin street, but none have been more interesting and gratifying alike to patient, friends or the doctor than the case of Mrs. Herman Bliss, of No. 41 Bernard street, this city. Early last fall she was taken ill. One doctor said it was ovarian neuralgia: another congestion of the liver, stomach and several other things she did not have. For two months she could retain nothing on her stomach, and vomited constantly a frothy, bitter phlegm. The pains in stomach and back were terrible; the headaches nearly drove her wild; she had chills and fever alternating; she was dizzy and thirsty all the time; there was a painful swelling on the right side, extending across the abdomen; she could not sleep and she became so emaciated and weak her friends thought she could not live; the doctor gave her up. A well-known Rochester policeman advised her husband to call in Dr. Freeman; he did in two weeks he had her sitting up and now she is in perfect health. In conversation with Mr. Bliss a few daws ago, he said: "She got rapidly worse until I put her under Dr. Freeman's care. An immediate change was noticed and I know and feel that Dr. Freeman saved her life; my neighbors think the same." This statement can be easily verified by calling at his residence, 41 Bernard street.
Dr Freeman cures Catarrh, Dyspepsia, Rheumatism, Blood and Skin Diseases, Nervous Debility, derangement of the Liver and Kidneys, and Diseases of Women.
☞ Office hours at the Institute from 10 a. m. to 3.30p. m., and from 6 to 8 p. m. daily except Thursdays.
