Dansville.

The members of St. Patrick's church have for some time been earning a dollar a piece to reduce the church debt.

The Seminary.

Work on St. Bernard's seminary is steadily progressing. The mammoth engine arrived this week and will soon be in position.

The beautiful little pond, which will add so much to the beauty of the grounds has been filled this week and with the pretty island in the center forms an attractive feature of the premises.

The decorators too have been busy in the chapel and other parts of the building. One feature that will greatly beautify the chapel will be the electric lights of different colors which will be placed over the altars.

Six of a Kind.

The train service on the Nickel Plate Road is to be greatly improved in the near future. Three fully-equipped passenger trains will be run each day in both directions between Buffalo and Chicago.

Owners of Cemetery Lots.

Who have not bought a monument will be interested in knowing that the headquarters for fine monumental work in Western New York is the Field & Alden Granite Works, of Rochester, N. Y.

Millinery.

What a really pleasant place our millinery department is. "A bower of beauty," as it is often called. If there is a flight of fashion fancy in Paris or elsewhere, we catch it at the very start.

If you have not already purchased your hat or bonnet, we would like to have you see our lines. We know that the style you wanted most is right here.

Burke, FitzSimons, Hone & Co.

Clyde.

The wife of Peter Fishcat, Italian, died at her home on New street, Saturday evening, aged 18 years.

Take Your Choice.

Of course you are going to Chicago this summer. The Nickel Plate Road will run three full-equipped passenger trains to the World's Fair City each day.

Silks.

Silk buying time is ripe—thoroughly ripe. A most extraordinary silk trade is now with us.

Examine our silks and you will appreciate their sterling qualities. You want to be particular about the quality of goods you buy always.

Burke, FitzSimons, Hone & Co.

Do You Know

That great improvements are being made in the train service of the Nickel Plate Road, and that three completely-equipped trains are to be run daily between Chicago and Buffalo in both directions.
