

AWFUL FATALITY.

TWO DISASTERS IN WHICH MANY LIVES WERE LOST.

Ten Men Instantly Killed and Many Others Badly Injured in a Wreck on the Big Four—The Steamer Ohio Barred a Fine Scalding 22 Men, Six of Whom Died Almost Immediately.

LAFAYETTE, Ind., May 8.—The Big Four passenger train in crossing the Wabash river bridge here got away from the engineer. The air brakes would not work. The front cars left the track after reaching the depot, tearing down the sheds on the east side of the track.

The engine, baggage, mail and express cars were thrown off the track, hurled some distance and broken to pieces.

The killed so far as learned are: Michael Welch, engineer, Indianapolis, frightfully mangled, head crushed, limb torn from body; found under the engine.

Fireman McGinnis, Indianapolis. Ed Myers, Logansport, mail clerk. —McMahon, Cincinnati, express messenger.

A. R. Chadwick, Cincinnati, mail clerk. Charles Myers, Lafayette, hackman. John Lennon, Lafayette, mailcar driver. Jesse H. Long, Lebanon, Ind., mail clerk.

Charles Schabill, passenger, just bought a ticket to Indianapolis. Otto Jerusalem, Alhambra hotel, Chicago, passenger going to train.

The fatally injured: Conrad Weisels of Shelbyville, Ind. William Chadwick of Shelbyville, mail clerk, is missing.

The following are the names of those badly hurt: James Carahan, home unknown. J. Long, Lebanon, Ind. Charles Myers, Cincinnati. Postal Clerk Vickery, Cincinnati, hurt internally. The above were all in the mail service.

The seriously injured: William Place of Frankfort, Ind. Jefferson Reese of Kempton, Ind. Owing to a sharp curve in the track on the west side of the river and the airbrakes not being applied until near the bridge, when the engineer tried to apply them they would not work and the train dashed into the station.

The injured have been taken to the hospital. The Big Four officials, who made a thorough investigation of the wreck, are unable to give the definite cause of the awful disaster.

SHOCKING DISASTER.

Twenty-Two Men Terribly Scalded—Six Already Dead.

CAIRO, Ills., May 8.—The steamer Ohio burst a fine near Belmont, scalding 22 men, six of whom died before reaching the hospital here.

The dead are: Thomas Woods, captain of the watch. Hampton Collins. W. W. W. Hurshman.

Three others, names unknown. R. W. Carew of Danville, Va., will probably die.

W. H. Dickey of Newport, Ky., seriously injured. C. J. Palman of Orange, N. J., badly scalded.

D. R. Randolph, Covington, Ky., badly scalded. Edward Ross, burned all over the body. All of the above are white.

The following colored men are badly scalded and several will probably die: Gilbert Chitres, Holden Tate, Fred Neill, Charles Jackson, Charles Thomas, John Howard, Evans Freeman. William Jackson, William Henry, Albert Robinson and George Washington.

Cyrus Myers, the second mate, is missing and supposed to have been blown overboard.

The dead and injured were brought to Cairo and the injured taken to the hospital. The steamer Ohio belongs to the Cincinnati and Memphis Packet company.

Union Men Biding Their Time.

TONAWANDA, N. Y., May 9.—The non-union men are making slow progress unloading the lumber barges and the locked-out union men are waiting for a blockade. The Lumbermen's association, through its secretary, telegraphed to Commissioner of Immigration Senner at New York, asking if he could furnish 200 able-bodied laboring men, Swedes, Poles or Norwegians preferred, as the association could furnish employment for that number. Commissioner Senner sent a reply that the immigration office was not an employment bureau.

Minister Stevens Coming Home. WASHINGTON, May 10.—Mail advices from Commissioner Blount and Minister Stevens regarding the situation in Hawaii were received at the state department. The United States government requested Minister Stevens to remain at Honolulu until the administration had come to some definite conclusion with regard to Hawaii. Mr. Stevens declines to accede to the request and states that he will leave for San Francisco May 24.

Mrs. Crouse Taken to the Asylum. FORT PLAIN, May 4.—Mrs. Crouse, widow of Samuel Crouse, who was recently murdered at his home near here, was taken to the Utica asylum for the insane, where she had been confined for some time. The murder has so preyed upon Mrs. Crouse's mind that it is feared she has become incurably insane.

H. H. Warner Assigns. ROCHESTER, May 9.—H. H. Warner, the patent medicine man, has given up the struggle against adverse fate and filed his general assignment for the benefit of creditors in the Monroe county clerk's office. The assignment is in the usual form and gives, of course, no hint of the amount of either assets or liabilities. Job E. Hedges of New York is the assignee.

No Such Bill Exists. ALBANY, N. Y., May 9.—Many letters have been sent to Governor Flower requesting him to approve Senator Edwards' bill relating to spiritualists, clairvoyants, etc. There is no such bill before the governor. It passed the senate but failed to pass the assembly.

Buchanan Not Yet Sentenced. NEW YORK, May 9.—The sentence of death, which was to have been pronounced upon Dr. Buchanan, the wife poisoner, was deferred, owing to the absence of Recorder Smythe, who is out of town. The sentence will probably be pronounced Thursday.

Prohibition Law Valid.

BIRMINGHAM, N. E., May 10.—The Superior court has ruled the Prohibition law to be constitutional and valid.

MUST BE SPECIALLY INVITED.

The President Makes New Rules in Regard to Office Seekers.

WASHINGTON, May 8.—The following has been issued by the president for publication:

EXECUTIVE MANSION, WASHINGTON, D. C., May 8. It has become apparent after two months experience that the rules heretofore promulgated regulating interviews with the president have wholly failed in the operation. The time which under these rules was set apart for the reception of senators and representatives has been almost entirely spent in listening to applications which have been bewildering, perplexing and impossible of remembrance.

A due regard for public duty which must be neglected if present conditions continue and an observance of the limitations placed upon human endurance oblige me to decline, from and after this date, all personal interviews with those seeking appointments to office except as I, on my own motion, may especially invite them. The same considerations make it impossible for me to receive those who merely desire to pay their respects, except on the day and during the hours especially designed for that purpose.

I earnestly request senators and representatives to aid me in securing for the public the uninterrupted interviews by declining to introduce their constituents and friends when visiting the executive mansion during the hours designated for their reception. Applicants for office will only prejudice their prospects by repeated importunity and by remaining at Washington to await results.

GROVER CLEVELAND.

Cannibals Waging War.

SAN FRANCISCO, May 9.—Chief Officer Duncan of the missionary ship Morning Star, brings news of a war among the cannibal natives of the island of Ruk, one of the Mortlock group in the South Pacific. Many lives have been lost in the fierce conflicts. "When we were there," said Mr. Duncan, "the excitement had reached such a pitch that no man's life was safe. The resident missionary, a man named McNeill, ventured among the men to ask them to cease fighting. They rushed upon him and brandished their knives, and there were loud cries of 'Cut him up! kill him!' He managed to get away, however, and made his escape.

Fatal Gas Explosion.

ANDERSON, Ind., May 9.—The house of Eli Murray was blown to pieces by a natural gas explosion. The family, consisting of Mr. Murray, his wife, daughter and son, were blown into the yard. Mr. and Mrs. Murray, it is thought, were fatally injured. Elsie, the daughter, aged 16, was more bruised than burned. Charles, aged 13, was burned about the face and hands. The injured persons are unable to give any cause for the explosion. The house, a fine 2-story structure, was entirely destroyed with its contents. The fire communicated to George Greyer's house and that was burned.

Police Officer in Trouble.

SYRACUSE, N. Y., May 9.—Police Officer Albert F. Doolittle was dismissed from the force on charges preferred by Chief of Police Wright. The officer threw is club at John Fitzpatrick about a month ago while attempting to arrest him. The club struck the young man in the right side, and he is now in danger of death. The blow affected the right lung and the liver. The district attorney has taken an antemortem statement, and will hold the officer for manslaughter if Fitzpatrick dies. The officer has been in trouble several times before.
