way will furnish rapid and cheap transportation to the great working districts of East Buffalo and Tonawanda. The Company has now secured perfect title to seventy-two acres of this valuable land,

for which it paid \$2.045 per acre. This price included all the cost of organization, attorney and incorporation fees, expense of selling the shares, etc. There are more than 500 lots with an average of thirty-five feet front and 140 feet deep.

Ellwood Park, there are from thirty to fifty other owners, land companies and individuals. who will co-operate in the building of a suburb. The policy of this Company is to PAY OFF ALL MORTGAGES on the property, as think is considered much safer and saves interest. After the mortgages are paid, now amounting to about \$50,000, the proceeds from the sale of shares will be used for the improvement of the property and the building of houses,

The property lies nearest to the station, and in the entire tract, which will be known as

It is expected within one year to have not less than fifty houses in course of construction. This will insure success and greatly increase the value of lots. These lots will sell first and last at an average of not less than \$20 per foot front, which, with the profit on houses uilt, will return THREE DOLLARS FOR EVERY DOLLAR INVESTED Adjoining lots in the Ellwood Park District are now selling rapidly at \$12 per foot front-Electric lines to connect with suburban lines now building between Buffalo and Tona. wands are being planned, and will be built as soon as it is practical to complete such work-
