

OUR CITY PARISHES.

NOTES JOTTED DOWN BY THE JOURNAL'S REPORTERS.

Fest of St. Boniface—Confirmation at Holy Apostles.—Father Notabaert's Return.—Marriage at St. Joseph's.—Notes.

ST. BONIFACE.

Sunday June 5th being Corpus Christi the feast of St. Boniface was observed June 11th. At the early mass at 7:30 St. Boniface Society followed its usual practice (since being organized thirty years ago) of receiving Communion.

The Knights of St. Boniface had their customary celebration for that day by a procession before the 10 o'clock mass. Headed by the 54th Regiment Band the Knights marched to Washington square where they met the companies invited to participate in the celebration, namely: Knights of St. Martinus, St. Eustace and St. Theodore. After marching through some of the principal streets of the parish they proceeded to the Church where High Mass was celebrated and an interesting sermon preached by Rev. Father Leiter, of Buffalo, to a very large congregation.

ST. PATRICK'S CATHEDRAL.

The Young Ladies Sodality will receive Holy Communion Sunday morning at half-past eight o'clock mass.

Bro. Thomas McAndrew who was reported so low in last week's paper, died at his home 152 Saxton street on Thursday morning.

ST. MARY'S.

Misses Marie and Margaret Keyes, whose sweet voices have often delighted Rochester audiences, have returned from New York where they have been pursuing their musical studies. They will remain at their home on Pearl street in this city until next October, when they will return to New York.

ST. BRIDGET'S.

A double quartette from St. Bridget's choir sang the mass Sunday morning at the State Industrial school.

The School collection last month amounted to \$85.35.

The Rosary and Scapular society will receive Holy Communion tomorrow.

Julius Armbruster has returned home from Chicago. He says that he is surprised at the beauty and magnitude of the World's Fair buildings, and that he does not regret going.

JUNE WEDDINGS.

HICKEY-WESLEY.

Michael J. Hickey, clerk in the N. Y. C. coal office, and Miss Mary Wesley, of Weedsport, were married in St. Joseph's church in that place Wednesday evening by Rev. J. A. Hickey, of Genesee, brother of the groom. Miss Riley acted as bridesmaid and Louis Wesley as groomsmen. After the ceremony a reception was held at the home of the bride's parents.

ABEL-BUCKLEY.

John Abel, supt. of the electric light plant at the county buildings, was married Wednesday morning at the Immaculate Conception church to Miss Margaret Buckley, of Henrietta. A Nuptial Mass was said by Father Gleason; the groom was attended by Joseph Abel, and the bride by Miss Jessie Williams. Many friends witnessed the ceremony.

Marriage Announcement.

Thomas H. Donovan, editor of this paper, and Miss Lillie O'Callaghan were married in St. Mary's church Tuesday, June 13, at 4 p. m., by Rev. Felix O'Hanlon. John Rogan, Daniel Sullivan, Daniel Cahill and John L. O'Callaghan accompanied the bridal couple to the altar.

Auburn.

Auburn is to have a celebration this year that will completely eclipse anything of the kind ever attempted in this section. If old Col. John Hardenburg who squatted here 100 years ago could hear the rumpus going on just about his "squatting" he would have done it 100 years before. Hardenburg's Corners which afterwards merged into Auburn was settled in the year 1793. The exact date of the pioneer's entry is not exactly known and so the committee in charge have designated July 3d and 4th as the two days most appropriate for the observance. The whole people seem to have joined in line and everything possible is being done to make the occasion a memorable one.

Fire companies, military companies and others are expected from Sayre, Owego, Waverly, Ithaca, Geneva, Seneca Falls and other places. Two parades on the first day are arranged for. One will be the school boys of the city and county and the other a lantern parade in the evening, and the Wheelmen of the city. On the evening of this day will also take place the literary exercises. A grand display of fire works will take place on the evening of the fourth.

On Wednesday morning at 9 o'clock was solemnized at the Holy Family church the marriage of Miss Ella E. Harding and Philip J. English, two well known and very popular young people of this city. The ceremony was performed by Very Rev. Dean Seymour. Miss Julia A. Harding, a sister of the bride and Wm. English, a brother of the groom supported the couple at the altar. After the ceremony the bridal party repaired to 75 East Genesee street, where a sumptuous wedding breakfast was partaken of. Mr. and Mrs. English were the recipients of numerous costly and beautiful wedding remembrances.

Louis H. Devitt, of this city was married Wednesday at Troy to Miss Marguerite A. Heffernan, one of the fairest daughters of that place. Edwin B. Cogrove, of this city accompanied Mr. Devitt to Troy and acted as best man. The newly married couple will reside in this city.

Miss Julia F. Shaw and John O'Neil were married at St. Mary's church at 8:30 Wednesday morning by Rev. Father McGrath. A large number of friends witnessed the ceremony. The bride was attended by her sister Miss Nellie Shaw, and Anthony Winters, of Syracuse, was best man. The happy, young couple with a few immediate friends repaired to the home of the bride in Orchard street where a tempting wedding breakfast was served. A number of useful and costly presents were received.

Another was added to the long list of June weddings when on Wednesday morning at 8 o'clock Miss Marg. Foley and Theodore Whelan were united in wedlock. Rev. Father McGrath performed the ceremony. The office of bridesmaid was filled by Miss Bessey Reilly and that of best man by Morris Murphy. Mr. and Mrs. Whelan were the recipients of handsome presents.

On Friday evening of last week the feast of the Sacred Heart of Jesus, vespers and benediction were held in the chapel at the convent of the Sisters of Mercy in Chapel street.

The principal service over a beautiful statue of the Sacred Heart was consecrated. The ceremony was performed by Rev. Father Quinn and was attended by a few guests invited by the Sisters. The new statue is a beautiful one and was received from Paris. The workmanship is true and perfect in every particular representing a figure of Jesus three-quarters life size with the Sacred Heart exhibited in its natural color and surrounded by golden rays that add materially to the beauty of the Statue.

NOTICE TO SUBSCRIBERS.

Our traveling agents, Mr. W. H. Atkinson, and Mr. A. Herman will visit Auburn and Syracuse during the coming week to receive and collect subscriptions for the CATHOLIC JOURNAL.

THE AUCTION SALE

Of Japanese Goods, Bricks and Fine Silverware

Opened this week at 46 and 48 State street, and all visitors were agreeably surprised at the quality of the goods in stock as well as the reasonable price asked for them. Certainly, the stock is above the average, and judging by the prices the goods sold for this week, our citizens will have an excellent opportunity of buying first class goods at extremely low prices, as we do not believe that a single piece thus far sold has brought enough to pay to manufacture. Sales are at 10 a. m., 2 and 7:30 p. m. The afternoon sale is for ladies, who will find comfortable chairs for them to use with an entrance to them without going through the crowd. On Friday afternoons every lady attending receives a handsome prize. It would be useless for us to attempt to enumerate all the handsome articles that greet the eye of one who visits this veritable fairyland. Suffice it to say that the sale affords an excellent opportunity to decorate your home at small expense.

196 East Main Street and J. W. Maser. \$1.96 and 196 If you intend buying a \$2, \$2.50 or \$3 shoe, remember these two figures, \$1.96 and 196. \$1.96 is the price we sell shoes that you would pay \$2.50 and \$3 for elsewhere. No. 196 East Main street is where you can buy them. \$1.96 is the banner shoe of Rochester. No. 196 East Main street, opposite the Whitcomb house. J. W. Maser.

A Bold Highway Robbery.

It is seldom that a highwayman will rob on the highway and then steal the highway besides. Now that is just what the merchants on Main street say has occurred. Their trade stolen and the street taken. It just happened that J. W. Maser's trade at the One-Price-Beck store was over looked by them. Never, except on Christmas week, have we had such a trade as last week. We are showing an immense assortment of summer shoes in the popular shades, and we always have special bargains in several lines of shoes to offer.

Confirmation.

Our Rt. Rev. Bishop confirmed classes at Victor and E. Bloomfield Sunday last. COAL! COAL! COAL!

Order the Best of the Most Reliable Dealer and Save Money.

The most expensive article that can be bought is poor coal. So much of the inferior kind must be thrown out as worthless, that a ton of good coal will often last as long as two tons of poor stuff. Much annoyance is also caused in getting fires started, baking etc., when poor coal is used. In fact, the purchase of coal is such an important matter, that it is prudent to buy only of dealers with an established reputation. Such an one is Louis Langie, whose Lehigh Valley Hard White Ash Coal has been used in this city for years and bears an excellent reputation. Yards on North avenue, near N. Y. C. R. R., and on So. Clinton st. cor. Alexander. Office, E. Main st., cor East avenue.

LOOKS LIKE LIBERALITY.

Henry Likly & Co., Make a Generous Offer To The Public.

All our city readers know that Henry Likly & Co., are the largest manufacturers of trunks and bags in the State; that their retail prices are below those of the department stores; that their goods are always just as represented. The firm's store at No. 96 State street is now undergoing extensive repairs, and in order to repay their patrons for the trouble of coming while the masons and carpenters are in almost total possession they authorize THE JOURNAL to state that a discount of ten per cent will be made from the price of any article purchased during the time the improvements are in progress. This is a square and liberal method of dealing that all will appreciate. Those of our readers who may require new trunks, bags or umbrellas will do well to give the Likly's a call. The stores that carry such goods as a side issue cannot compare with them, but are charging you from 10 to 25 per cent more right along.
