ST. BONIFACE.

At the 7:30 Mass the Confirmation class received Holy Communion.

After the reading of the Gospel for the Eighth Sunday after Pentecost, Father Renkor informed the congregation that the sermon would not be taken from the Gospel but he would take the sermon of the Feast of Mary of Mt. Carmel or feast of the Scapular, as it seldom occurred on a Sunday, and explain the origin, the privileges and benefits to the members of that society.

Great preparations are being made in the Congregation for a fair to be held the latter part of August for a new organ.

HOLY FAMILY.

Last Sunday the members of St. Pius' Society, numbering about 160, celebrated their patron Saint's day by receiving Holy Communion in a body at the early mass. Father Knuborn, from St. Joseph's church, assisted in the confessional on Saturday, and delivered the sermon at High Mass on Sunday.

The pastor, Rev. D. Laurenzi, announced that he would begin taking the census of the parish next Monday. He said he hoped every family would contribute to the liquidation of the small debt, yet resting on the property.

The funeral of John Webber who died at his home, on Basket street, on Saturday, was held on Monday morning. Rev. H. Regenbogen, the assistant pastor at St. Michael's, sang the mass of requiem.

The Rt. Rev. Bishop will administer the Sacrament of Confirmation to about one hundred children tomorrow afternoon.

Sr. M. Simplicita, de N. D., the Superior and Superintendent of the school has exchanged places with Sr. M. Bruno, the superior of St. Boniface convent. It is to be regretted that this parish lost such a zealous teacher as Sr. M. Simplicita proved herself to be. She had been here for nearly nine years; during this time she had charge of the eighth and ninth grades. For the last three years, she was Superior and Superintendent of the school. Through her kind and gentle way she won the hearts of the children, who will ever cherish a grateful memory of her faithful labors in their behalf. She was a thoughtful mother to the nineteen Sisters in her charge, being ever solicitous for their welfare and comfort. During her nine years of incessant labor she has truly won the affection and gratitude of all in the parish. St. Boniface parish is fortunate in receiving her as their future Superior. She takes with her the best wishes from all her friends here at Holy Family; her untiring zeal for the welfare of our children will never be forgotten. May God bless her work and may success crown her efforts in the new field of labor.

ST. MARY'S.

Mr. John Murphy and Mr. Edward Thixton, of Jeffersonville, Ind., left for home Thursday of last week after a week's visit to Rochester. While here they were the guests of Mr. and Mrs. Wm. McIntyre of 14 N. Union street. Mr. Murphy makes an annual visit to Rochester and his coming is always looked forward to with pleasure by a large circle of friends.

Misses Maggie and Cilia Marion, of Howell street are spending a few days with Mr. Neary, of N. Greece. Numerous friends hope their visit will be an enjoyable one.

Mr. John Sullivan, of 171 Broadway, will sail from New York to-day on a visit to Ireland and will be gone several weeks. Mr. Sullivan is one of the most respected members of St. Mary's parish, and has legions of friends who hope this visit to the land of his birth will be thoroughly enjoyable.

ST. MICHAEL'S.

The summer night's festival, held Monday and Tuesday evenings was largely attended on both evenings. It was a most gratifying success.

The Knights of St. George are soon to celebrate the twentieth anniversary in an appropriate manner. For this purpose new uniforms have been ordered for all active members. The contract to furnish the same has been awarded to Nunnolds, the Main street clothiers.

Rev. Father J. G. Ege, of Wright, Mich., formerly assistant at St. Michael's, was in town last week, visiting his parents, friends, and the scenes of his childhood and former labors.

SS. PETER AND PAUL'S.

Miss Louise Meyers, President of Branch 62, C. L. B. A. was pleasantly surprised last Sunday evening, it being the eve of her departure for

the L. C. B. A. convention at Birmingham. About a dozen couples—members of the L. C. B. A. and their husbands, proceeded to her home and took possession.

Bernard J. Schreiner made a neat little speech and presented her with a handsome grip, the gift of her friends assembled. Although taken completely by surprise, Miss Meyers soon recovered sufficiently to thank her friends for the handsome gift and said it gave her pleasure to think that they should honor her by their call. A substantial luncheon was served and before the party dispersed all wished her a pleasant journey and safe return.

Edward Dengler and family left for Chicago last Tuesday evening.

A party consisting of Mr. and Mrs. Peter A. Vay, Miss Mary Vay, Miss Katharine Smith and Miss Marzluff, left Wednesday morning for a visit to the World's Fair.

Edward Usler and family, of Alameda, Cal., were in town during the week. Mr. Usler is a Rochester boy and he met some of his old friends during his short stay. By his appearance we should say that the California climate agrees with him.

It has been rumored that Rev. Dr. Sinclair will give considerable attention to organs while out west and it may be possible that he will buy one. The one which is used at present was second-hand when purchased thirty-three years ago, and is in very bad condition. It is safe to predict that if the Rev. Dr. buys it will be a first-class one and one which will be a credit to the congregation.

Mr. Geo. F. Fisher and Mrs. Elizabeth Schneider were married at 7:30 a. m., Tuesday.

The funeral of Mrs. E. Rubman took place at 8:30 a. m. last Friday and Mrs. Mary Ann Hupk last Thursday at 9 a. m.

THE KIND THAT CURES.

What a Grand Army Man Residing in Rochester Says.

"Last January I had la grippe and it resulted in bronchial and lung trouble. I was obliged to give up my business. I could get no relief from doctors' medicines. I coughed continually and had severe pains in my chest, could get no rest day or night. I was unable to lie down in bed for two weeks previous to taking the Scugog medicine. I secured one of their circulars and went to the company's office, 621 Ellwanger & Barry building, and I was convinced by what I saw and heard that it was a wonderful remedy. I procured a bottle and to my surprise I was relieved before it was all taken and by continuing the medicine a short time I was able to resume my business, and to-day I am as well as ever." This is the medicine used by the Scugog Sanitarium company, who are successfully treating cases of bronchitis and consumption in all its stages, and have thus far failed to find a single case that has not improved under the treatment. Dr. J. B. Oliver, the medical director, can be consulted free of charge at the office of the Sanitarium company.

Persons residing out of town can be treated at their homes, unless the disease is too far advanced. Call or address Scugog Sanitarium Co., 607 Ellwanger and Barry Block, Rochester, N. Y.

C. R. AND B. A.

At the last meeting of Council 18, C. R. and B. A. the following resolutions were adopted:

WHEREAS It has pleased Almighty God to remove from our midst our sister and fellow member, Miss Agnes Dissett, be it

RESOLVED That the members of Council 18, C. R. and B. A. hereby desire to express their sense of bereavement and grief at the lost one of their most faithful members.

RESOLVED That we sincerely sympathize with the family of our late member and that we respect, fully commend them for consolation to Almighty God, Who, though sometimes inscrutable in His dispensations yet doeth all things well, and feeling that to them, as to us, there is comfort in the knowledge that the deceased was a consistent and devoted christian, and trust her reward will be great.

RESOLVED That a copy of these resolutions be sent to the family and also published in the CATHOLIC JOURNAL.
