

**OUR CITY PARISHES.**

NOTES JOTTED DOWN BY THE JOURNAL'S REPORTERS.

**SS. PETER AND PAUL'S**

At the parish hall on Litchfield street was given the annual concert and summer night's festival by St. Peter's Benevolent society Monday evening. The hall was handsomely decorated in honor of the event and it is safe to say that a more successful festival was never given by the society. An excellent musical programme of thirteen numbers was rendered. SS. Peter and Paul's choir sang well in choruses. A mixed quartette, composed of Misses Tillie Young and Libbie Merkel and Messrs. E. Yawman and C. Amberg, was well received, as was the male quartette, composed of Messrs. Forest, Schrier, Ehrentraut and Knope. Other features were solos by Miss Effie Yawman, Miss Anna Hantz, Vincent Forest and the work of the Flower City Zither Club. St. Peter's Benevolent society is one of the oldest benefit orders in the city, having been organized in 1852. Nearly two hundred people are now enrolled on its books.

**ST. MICHAEL'S**

The close of the Forty Hours Devotion took place last Sunday evening. The church was seldom better filled than upon this occasion. A remarkably large number of people received Holy Communion in the morning, so that it appeared as if not a single member of the congregation had failed to approach the Table of the Lord. At High Mass at 10 o'clock a Jesuit father from Buffalo preached an eloquent sermon upon the Feast of St. Michael the Patron Saint of the Church. The Knights of St. Michael and St. Leo Society turned out in full force and attended High Mass on Sunday when they received Holy Communion. The Knights of St. Michael wore fatigue uniform.

Father Pascalar announced last Sunday that upon every evening during the month of October the prayer of the Holy Rosary would be said and Benediction with the Blessed Sacrament would be given. During this week the church has been remarkably well filled every evening and it is expected that a large attendance will be the rule during the remainder of the month.

The Knights of St. George will assemble at Central Hall Sunday morning at 9:30 o'clock and headed by the staff of the R. O. U. U., will parade through N. Clinton street to St. Michael's church, where they will attend Solemn High Mass, in celebration of their twentieth anniversary. The society will appear in its new uniform for the first time on this occasion. Monday evening a concert will be given in Germania Hall in honor of the event.

**CONVULSIONS**

Nellie, wife of Thomas J. Finnegan, died at the family residence, 171 University avenue, at an early hour Saturday morning. Mrs. Finnegan had been ill several months and, although her death was not entirely unexpected, it was a sad blow to her family, and her friends will learn with deep regret of her demise. She was a devoted wife and mother, and a devout christian woman, being a member of Corpus Christi church. Besides her husband and three children, she is survived by one sister, Mrs. James McGuire. The funeral took place from Corpus Christi Tuesday morning at 10 a. m., High Mass being said by Rev. J. J. Leary, assisted by Revs. J. Murphy and Gleason. The pall bearers were E. McSweeney, J. R. Brady, J. Kiley, Chas. H. Crowley, T. Mahon and M. Barry.

Sunday last was the 15th anniversary of Rev. J. J. Leary to the priesthood and the 5th as pastor of Corpus Christi. The church was handsomely decorated for the occasion.

The school children presented their pastor a suitable address and he was congratulated on the happy occasion. Joseph Hicks, superintendent of the street car company, will leave Sunday with his wife and son for the World's Fair. Mrs. Corbett will accompany them.

**IMMACULATE CONCEPTION**

A magnificent three-story brick building now stands on Edinburg street its beauty and grand proportions challenging the attention of the passers by. It is the new Immaculate Conception parish hall, the building of which was suggested to the congregation by the rector, Very Rev. J. F. O'Hare, last summer. Its erection was begun a few months ago, and now it is well advanced toward completion, the walls being up and the roof on. It is evident that the Immaculate Conception will have one of the handsomest parochial buildings in the city, and pastors and people are to be congratulated.

The most reliable as well as the purest and best bakers goods in the city are sold at the Culross Bakeries, 80 and 499 State street.

At the convention of the Humane society held in this city this week, Rev. T. A. Hendrick said while not wishing to be considered as in favor of dehorning cattle, as he personally opposed it, he wished to raise the question whether or not it is good policy to commit the society as opposed to the practice. "I think we must take into consideration," he said, "the reports of Prof. Roberts and the agricultural department of Cornell College, in favor of dehorning. You cannot go on the theory that the benefit of dehorning is an ancient and exploded idea. These men at Cornell are a corporate body placed there by the state and are men of science, opposed to be competent to pass intelligent judgment on the question. Should we assume the burden of taking a position which may prejudice us in our other work when perhaps we cannot accomplish much even against the dehorning practice? The farmer does not practice cruelty for its own sake. To him the question is one of dollars and cents. If he thought dehorning cattle injured them financially he would not do it. My personal reason for opposing the practice is that, in my mind, it is unnecessarily cruel. If the farmer desires cattle that are dehorned he can procure polled cattle that are bred in that way."

The name adopted was the Young Knights of the Blessed Sacrament. The names of fifty members were enrolled at the meeting and the following officers were elected for the ensuing six months: Moderator, Rev. J. J. Van Ness; president, Thomas Naylor; vice-president, John Murphy; secretary and treasurer, William O'Loughlin.

**SOMETHING TO THINK OF.**

Where Can You Buy Good Coal? Good hard coal! What a comfort it is to have coal that can be depended upon—the kind which does not burn away like a flash or turn into cinders after burning a few minutes. Louis Langie sells the best coal that can be bought in this section. You can always depend upon what you buy of him. His office is located at the corner of East Main street and East avenue; his yards on North Avenue near N. Y. C. R. R. and on S. Clinton street near Alexander. The advantage of trading with Mr. Langie is that he sells good coal at as low a figure as some other dealers sell the worthless article. If you have never dealt with him give him a trial order, and you will always buy your coal of him in the future.
