TWENTY-SIX KILLED.

WORLD'S FAIR TRAIN WRECKED AT BATTLE CREEK.

A Terrible Head-on Collision Caused by Disobedience of Orders—Both Trains Reduced to Kindling Wood—Fire Burns Additional Horror to the Disaster—Loss of Dead and Injured.

BATTLE CREEK, Mich., Oct. 21.—Twenty-six heaps of charred, blackened flesh, all that remains of what less than 48 hours ago were men, women and children in the enjoyment of life, health and happiness rest upon the floor of an improvised morgue in the basement of a furniture store of this city. A mile away in the city are a score or more of human beings with gashed bodies and broken limbs. Add to this an engineer in jail and a conductor a fugitive from the law and the story is told in brief of the last of railroad horrors and one of the most appalling in character of this or recent years. This is the list of dead and unidentified bodies:

List of dead:
 ARCHBELL, HARRY, of New York.
 ARCHBELL, J. F., of New York.

BEARDSLEY, S. W., of Watkins, N. Y., identified (supposedly) from papers in pockets and checks for \$200 and \$100.

MAGOON, E. D., of Providence, R. I., identified by papers in a pocketbook.

MCGARVEY, T. A., of Petrolia, Ont.

MCKENZIE, Mrs. F. R., 50 Summer street, Stamford, Conn.

OPPELMAN, H., New York.

ROBERTS, SIMON, 19 Nassau street, New York.

RATIFICATION MEETING.

Brooklyn Democrats Turn Out Many Thousands Strong.

NEW YORK, Oct. 21.—The Academy of Music, Brooklyn, was crowded last night by a big Democratic ratification meeting. Thousands were unable to gain admittance.

Resolutions were adopted pledging hearty support to President Cleveland, demanding prompt repeal of the purchasing clause of the Sherman act, lauding Senator Hill, approving Governor Flower's administration and adopting the platform of the Saratoga convention.

The names of Cleveland, Hill and Mayor Bunting were enthusiastically cheered.

When Senator Hill arose half the audience arose and waved hats, flags and handkerchiefs.

President Cleveland's Views.

WASHINGTON, Oct. 21.—A prominent official, not a cabinet officer, gave out the following authoritative statement of Mr. Cleveland's views as to the proposed compromise measure which it is expected will soon be brought before the senate.

"The president adheres to the position that the purchasing clause of the Sherman silver law should be unconditionally repealed. The lower house of congress voted for repeal by an overwhelming majority, a majority in the senate are in favor of unconditional repeal and the sentiment of the country demands the passage of the pending bill."

"It is not true that Secretary Carlisle is or has been in favor of the compromise which was subscribed to by a number of senators on Saturday. He and the other members of the cabinet are opposed to that measure."

Battle Royal Between Tigers.

PROVINCETON, Oct. 21.—A ferocious battle took place between the two royal Bengal tigers in the Royal Williams park menagerie, in which Prince, a noted animal, was killed by Prince, his less noted mate.

Prince was the aggressor and Prince, infuriated by the attack, flew at her mate and in the terrific battle that ensued tore his throat and head into pieces.

The shock was so terrible that the first four of these were completely telescoped,

the first coach cutting through the second and the second into the third like a flash of lightning, the roof of each passing over the heads of the sleeping passengers and sweeping in a mass to the north end of the car.

To add to the horror, the wreck took fire from the stoves or lamps and as the flames mounted up the groans and shrieks of the maimed and injured were succeeded by heartrending agonizing cries and appeals for help from the scores of imprisoned by the heavy timbers or had down by the seats and iron framework.

After the wreck Engineer Wooley of the Great All Water Route from Buffalo to World's Fair, with opportunity of visiting Cleveland, Detroit and Macomb Island.

Take the "C. & B. LINE," and enjoy a refreshing night's rest when enroute to Northern Lake summer resort, or any Ohio, Indiana, Western or Southwest point.
