Don't be looking at those who make higher professions than you do, to see if you can't find ugly spots on them. There is no nourishment in any such diet.
To be happy at home is the ultimate result of all ambition, and one to which every enterprising and laboring man, and of which every desire prompts the prosecution.

JOHN W. HANNAN.
Who Received the Unanimous Nomination for Sheriff of the Republican County Convention.

The office of sheriff in a county like Monroe is one of honor and of profit. It has grave duties and responsibilities. A man must have both courage and intelligence to do it well. There is no question but that John W. Hannan possesses these qualifications. Mr. Hannan was born in the town of Pennington in the year 1827, and he has made for himself a record for business ability, staunch integrity and force of character that might well be envied by men of paper. When he was six years old his parents removed from Pennington to Rochester, and his city was over since then his place of residence. He received a good practical education and in 1864 was appointed a messenger in the department of the State Senate. Here his fine executive ability and modest but gentlemanly deportment attracted attention, and in 1866 he was appointed superintendent of the department which honorable position he held for a period of ten years.
In July, 1870, he received the appointment of United States gauger in the Rochester Internal Revenue office, which office he resigned in May, 1881.
In 1874 Mr. Hannan was elected sheriff of Monroe county by the handsome majority of 3,500, and made one of the best sheriffs this county has ever had. Since his expiration in 1881, Mr. Hannan has been employed as a deputy sheriff by the Sheriff of the same county. Mr. Hannan has been a member of the N. Y. S. Bar, and has acted as a member of the State Senate.
Mr. Hannan has attracted attention here by his genial and gentlemanly qualities, many friends in both political parties, and the high esteem many voters among his political opponents, because although he is a strong and staunch Republican, he is not an aggressive partisan.

A New System of Treatment Practiced by Dr. Freeman—Its Wonderful Results.

The guarantee given out by Dr. Freeman, 105 Franklin street, Rochester, N. Y., to cure every case accepted for treatment or refund all money paid, has been in force now nearly nine months. During this period 73 persons have called at this office for consultation. Of this number 97 were rejected as incurable. Twenty-four were taken at the request of friends with no assurance from the doctor that the treatment would be successful. The remainder, or 73 cases, came under the strict terms of the guarantee. With this large number of people—sufferers from almost every known disease—the treatment failed in two cases only. Just think of it, only two failures in over six hundred! Such remarkable results have never been known in medical history before. What has made such a record possible? Simply this: Nature has supplied us with a remedy for every disease. The Alkaloid or active principles of which, when given judiciously, make a cure absolutely certain. The guarantee spoken of above is still in force and will be for a limited period only, and holds good in the following diseases: Catarrh, Dyspepsia, Rheumatism, Bronchitis, Ulcers, Arthritic, Seminal Weakness, and diseases of the Blood, Skin, Lungs, Kidneys and Womb.
The cost is only \$2 per month for all diseases, medicines included. Office hours: 10 a. m. to 3 p. m., and from 6 to 8 p. m., daily except Thursdays. Sunday hours from 10 a. m. to 1 p. m.
Consultation free.
