

**OUR CITY PARISHES.**

NOTES JOTTED DOWN BY THE JOURNAL'S REPORTERS.

**ST. BONIFACE.**  
 Though the spiritual wants of St. Boniface are attended to by the very able assistant, Father Boppie, the people find little cheer in the disappointing reports heard daily concerning the critical condition of Father Beaker, and though the best medical skill has been applied, it is feared the Rev. Father may not get over the spells of weakness that sometimes overtake him, unless it be the will of God and the prayers of the congregation that may keep him with us.  
 Next Sunday the Young Ladies Sodality of St. Boniface will receive communion at 8 o'clock Mass.

**ST. MICHAEL'S.**  
 Branch 104, L. C. B. A., last Tuesday evening elected the following officers: President, Frances Sanders; first vice-president, Frances Sobocier; second vice-president, Dorothea Maier; recorder, Louise B. Kiefer; assistant recorder, Louisa G. Wahl; financial secretary, Anna Weismiller; treasurer, Theresa E. Bach; marshal, Louisa Diehl; guard, Margaret Kilias; trustees, Catherine Lochner, Mary Staub, Julia Koerner, Mary Hattorsheld. The Branch is increasing in membership and has a large sum in its treasury. The best feeling exists among the members and the prospects for future success are bright.

The "Lion Window," which took first prize at the World's Fair, has been returned and is again in position. Every lover of ecclesiastical art should see it.

At the last meeting of Branch 104, L. C. B. A., the following resolutions on the death of Mary A. Blaney of Buffalo were adopted:

WHEREAS, God in His infinite wisdom has sent his messenger, death, to invade the sacred precincts of a family circle, and call to the eternal mansion of the blessed, Mary A. Blaney, beloved sister of our worthy Supreme President, Eliza B. McGowan, therefore be it

Resolved, That we extend to the Supreme President our profound sympathy and condolence, hoping that she will bear this new affliction with Christian fortitude, turning for consolation to the Divine Saviour, who is ever the refuge of the sorrowing. Be it

Resolved, That the closing prayers of this meeting be recited for the happy repose of the soul of Mary A. Blaney, and be it furthermore

Resolved, That these resolutions be spread upon the minutes of this meeting, published in the *Catholic Journal* and the *L. C. B. A. Journal* and a copy transmitted to the Supreme President.

**ST. MARY'S.**  
 Mr. Henry Conrad Manuel and Miss Helen Theresa Moore were married by Rev. Felix O'Hanlon on Wednesday, Nov. 29th. The bridal couple were attended by Miss Bessie Moore, sister of the bride, and by Mr. George Growney. The bride is an estimable and popular young lady of St. Mary's parish, and has many friends who will wish herself and husband a happy and prosperous career. After December 5th Mr. and Mrs. Manuel will be at home at 22 West Parade avenue, Buffalo, N. Y.

**ST. PETER AND PAUL'S.**  
 The severe snow storm last Sunday evening did not deter the numerous friends of Rev. Dr. Sinclair from being present at the grand evocation which was tendered to him by the school children in honor of his patron saint's day. Every seat in the large hall was occupied and some people were obliged to stand.

The entertainment was arranged by the Sisters of the parish and the program was a long and varied one. The drills were especially well executed and words of praise greeted the good Sisters from all sides for their efforts. It is remarkable that children can be drilled so well that not a mistake should occur in so long a performance. The music for the occasion was entirely furnished by pupils of the Sisters and the pieces were faultlessly rendered. A drama in two parts and tableaux was also given, and all the participants took their parts exceedingly well. Congratulations were bestowed upon the Rev. Dr. by the children and a floral fish in which \$125.00 in gold was hidden was presented to him.

The entertainment was concluded by a comic solo by Miss Maggie Vay which pleased the audience. The following priests of the city were present and occupied seats of honor: Revs. Pascoer, Hargather, Miller, Boppie, Regenbogen, Von Welde, Hon. Richard Curran and members of his family were present.

The Sisters can be congratulated upon the excellent entertainment and financial success of the affair. The proceeds will be used for the benefit of the school.

Mathias Hargather died Tuesday morning at his residence, No. 85 Grape street, aged 76 years. He leaves a widow, Lucy M. six sons and one daughter. Mr. Hargather came to this city about forty-eight years ago. For many years he was a successful mason and contractor, but owing to failing health he was obliged to retire from active business about ten years ago. He was highly esteemed by a large circle of friends, and commanded the confidence and respect of all who met him. His services were eagerly sought owing to his conscientiousness and integrity in business dealings. He was for forty-eight years a consistent member of St. Peter and Paul's church. The funeral was held from his late residence Thursday morning at 9 o'clock and from St. Peter and Paul's church at 9:30.

**ST. JOSEPH'S.**  
 The Ladies Auxiliary of the Y. M. C. A. of St. Joseph's church will give a picnic tea at their hall on Franklin street, Dec. 27th and 28th.

Next Monday evening Branch 81, C. M. B. A., will hold their annual election of officers.  
 A requiem Mass will be offered for the repose of the soul of Brother John A. Mattle in the near future, that being the manner in which Branch 81, C. M. B. A., remembers dead brothers.

**FRENCH CHURCH.**  
 The French Church fair closed Saturday evening. \$1,000 was realized. In the prize contest the gold watch was won by Miss Slaters. D. F. McCarthy, of 12 Locust street, won a Royal Red Cross parlor stove, while Father Libert, of St. Bernard's Seminary, was the winner of a fire screen. The bedroom suit and furnishings were won by Mr. Schlick. A reception was given Monday evening at the French Hall by the ladies who were in charge of the various booths. The following gentlemen acted as floor committee: A. H. LaCasse, manager; E. J. Groh, J. F. A. Miller, and Albert Minges.

**Confirmation.**  
 Our Rt. Rev. Bishop will administer the Sacrament of Confirmation at the Church of Immaculate Conception to-morrow.  
 Mr. Edward B. Fleharty of 8 Sherman street arrived home Wednesday from Brooklyn.

**A BURNING QUESTION.**  
 That is Now Receiving the Attention of the Public.  
 It is seldom that the public mind is not occupied by some great question of momentous importance. At one time it is the money question; at another it is the tariff bill. A question that is always to the front is the coal question. We must keep our houses warm, and the experience of Rochester's coal buying public goes to show that the best coal for a reasonable price can be bought of L. C. Langie, office East Main street, corner East avenue. Yards on North avenue, near railroad, and on South Clinton, near Alexander street.

**Oriental Rugs.**

A number of the Oriental Rugs, about 100, which were exhibited during exhibition days, have been retained in stock for the holiday trade. These have been re-marked, and there is not a single rug which is over half the price at which it would be marked in any New York importing house. Think of it! Here are antique Oriental Rugs actually selling for less, per square foot, than the English imitations made in this country.

**Manufacturers Samples of Silverware.**

Three days ago, an agent representing one of the largest and best manufacturers of silverware in New England, called at our store. He was on his homeward trip; this was his last stop. With him he had three or four big sample cases filled with silverware, the choicest of the stock. The order he received from us was an offer for his samples. After some hesitation he accepted it. The wares are ours. They will be yours at 25 per cent less than the manufacturer's regular price to the dealer.

Our Silverware Department must be advertised. This is the way we do it.
