

## OUR CITY PARISHES.

NOTES JOTTED DOWN BY THE JOURNAL'S REPORTERS.

### ST. PATRICK'S CATHEDRAL.

Rev. James P. Kiernan, rector of the Cathedral parish, presented his annual financial statement Sunday for the year ending January 1, 1894. The statement shows the Cathedral property is entirely free from debt; while a year ago there was an indebtedness of \$1,250. During the past year the Sunday offerings amounted to \$2,037.74. Easter collections, \$501.97; pew rental, \$10,779.86; other sources, \$11,806.82, making a total of \$24,985.80. About \$300 was needed in addition to the savings from the church revenues to cancel the entire indebtedness and this was contributed by about thirty members of the congregation.

Dr. Patnam, father of Mrs. Walter B. Duffy, died in Detroit recently.

### ST. MICHAEL'S.

At the annual meeting of St. Michael's choir, the following officers were elected: President, H. F. Wegman, secretary, Henry Hahn; treasurer, Miss Kate Magin. The choir is being thoroughly trained by the recently appointed choirmaster, Mr. Frederick Pohl. Applications for membership are coming in and will be received until the number has reached sixty.

### ST. JOSEPH'S.

A three days' Triduum in honor of Blessed Bro. Jeremias Majello, whose beatification took place last February, was held in St. Joseph's Church this week, beginning Sunday and closing Tuesday evening. Solemn High Mass was celebrated each morning, and Benediction of the Blessed Sacrament was given each evening. Bishop McQuaid, Mgr. De Begge, and Vicar-General O'Hare were present at the solemn closing. Bro. Majello's picture was exposed on the high altar for the veneration of the faithful, and was handsomely decorated.

### ST. PETER AND PAUL'S.

Rev. Dr. Sinclair left last Wednesday evening for Bermuda on a six weeks vacation. The parishioners earnestly hope that this well-earned vacation will restore him to his former vigor and activity, they pray that his journey will be pleasant as well as profitable, and they will anxiously look for his safe return.

Rev. John Ege, of Wright, Mich., formerly assistant pastor at St. Peter and Paul's, arrived here Monday last and on Thursday evening a reception was held at the Y. M. C. O. room in his honor.

Notwithstanding that his arrival was unexpected a large number of his friends greeted him. He left Friday morning for his present home and his many friends hope that he will soon visit Rochester again.

Tuesday evening a very enjoyable meeting of the Young Ladies' Sodality gathered in the rooms of the school building of St. Peter and Paul's parish. The members assembled about 8 p. m. and at 8:15 p. m. a supper was served. The dining-room was handsomely decorated with garlands and delicate drapery. The table decorations arrested the eye of all. The napkins arranged in fan-shape were mounted with a pretty bouquet of natural flowers. There was an abundance of delicacies; the well prepared turkey seemed to be the relish of all. After the supper the Young Ladies made merry in the old school hall and furnished their own music. There was plenty of amusement and all went home well pleased, assuring each other that they had spent a very pleasant and happy evening.

### St. Bridget's.

The women's mission at St. Bridget's closed Sunday afternoon. Father Smith preached an eloquent sermon on the Blessed Virgin, 840 women made the mission.

The men's mission began on Sunday last and was well attended.

Our Rt. Rev. Bishop will administer Confirmation on Sunday evening to a class of about 40. During the mission about 1,500 received Holy Communion.

Daniel E. Mullin and Miss Catharine M. Wegman, daughter of Frederick Wegman, were married at 9:30 o'clock Thursday morning at St. Bridget's Church by Rev. T. A. Hendrick. Mass was celebrated by the pastor, before the marriage ceremony. Miss Harriet G. Wegman, sister of the bride, was bridesmaid, and Thomas J. Mullin, brother of the groom, acted as best man.

### ST. MARY'S.

The Aid Society will give a pound social in the hall under the church on the evening of Feb. 1st.

### HOLY APOSTLES.

Rev. T. C. Murphy submitted his annual financial statement to the congregation last Sunday. The total receipts were \$3,498.29. The indebtedness is only \$860.00 and there is a balance of \$124.25 in the treasury.

### Announcements.

#### BOOK OPERA HOUSE.

Walter Sanfords will bring his latest scenic play, "A Flag of Truce," to the Cook Opera House next week beginning Monday, matinee. Besides being a most masterfully written drama, strong and clear in every scene, it is replete with realism of the most intensely interesting and exciting nature, while the comedy scenes, introduced at opportune moments, serve to relieve the more thrilling passages. One scene alone is remarkable for its actual realism, a mammoth stone quarry, where a skilled crew of quarrymen are operating; giant steam drills are to be seen boring their way through blocks of real granite, terrific blasts occur, splintering tons of rugged rock; all of this is more real and genuine than imaginative.

### ADMIRAL.

"The Vendetta" is to be the attraction at the Academy next week. The play is said to be full of thrilling situations and presented by a cast of unusual excellence. Many novel scenic effects are introduced entirely different from anything ever attempted on the local stage. The prison at Toulon is shown in the second act and scenes where the convicts march through the corridors to their cells, their chains clinking at every step while the guards armed to the teeth watch their every move, is so realistic as to almost cause the spectator to fancy he is himself within the walls of a French dungeon. Other noteworthy scenic pictures are the Casino at Monte Carlo, the wonderful ship scene, said to be the most mechanical effect ever staged, and the burning of Paris, showing the metropolis engulfed in flames.

That the visitor to the Academy will be amply repaid for his small investment goes without saying.

The new management wished to express their thanks to the patrons of the house for the large attendance of last week.

**THE WONDERLAND MUSIC THEATRE.**  
Mr. J. H. Moore has purchased this palatial amusement place, and notwithstanding the limited time since the purchase, a great many changes for the better have been made throughout the house, including the new wax exhibitions and a complete set of Roger's statuary.

Probably the strong card, and one that will come in for first place, will be "Herman Hammen's Glass Exhibitions" from the World's Fair Midway Pleasure, where it was one of the most interesting features.

A handsome dress made entirely from glass is one of the ready made novelties in the exhibit. Trimmings and all are glass, but every part of the dress is as flexible as a piece of silk.

During the visit of Princess Isabella of Spain, to the World's Fair, Mr. Hammens, the inventor, who conducted the exhibit there, presented the Infanta with a glass dress, but the one at Wonderland is said to be more beautiful than the one given to the Princess.

In the Lecture Hall Catalin's latest illusion, the Miraculous Bowler, or the Three Graces, will be shown. An orchestra and other features will complete the list in the lecture hall department.

Down in the cozy Theatre there will be an unusually strong bill, Guibal and Greville in their mystifying act of psychonotism and Conway and Leland, the Monopedes, the one legged Acrobats, have been booked for the opening week, as well as Ernest Young, the Electric Comedian. There will be other artists of repute added to the list, to complete a meritorious performance.

The house will open Monday night, thereafter four performances will be given daily. In the afternoons at 2:30 and 4 o'clock p. m. Evenings at 8 and 9:30. The admission price will always remain the same, 10 cents.

**Overshares 10c, 34c, and 40c.**  
Did you ever hear of overshares for 19c? we have them; also 38c and 48c at our great mid-winter sale of shoes.
