#### L. C. B. A. RESOLUTIONS.

Providence has seen fit to severely afflict our dear aister, Mrs. Regina Stanb, in the death of her beloved daughter, Marie. This trying ordeal was not wholly unexpected. The angel Death had for weeks been hovering over the cot of the patient little gufferer and then mercifully severed the cord that bound her spirit to earth. Marie's distress has been changed to joy and happiness in the arms of the infant Jesus who said: "Suffer little children to come unto me." It is this consolution that should cheer the grief-stricken mother is her hours of sadness. To her, her sisters, the members of Branch 104. L. C. B. A. tender their loving and prayerful sympathy.
