The Reason WHY DR. C. M. FREEMAN HAS NOT ADVERTISED DURING THE PAST YEAR.

Dr. Freeman of the Franklin Street Medical Institute is often approached with the question, "Why have you ceased advertising?" The answer is that during eight of the ten years of his residence in this city he has been a liberal patron of the press.

Dr. Freeman's ten years of practice in this city has been a period of unbroken success - a fitting tribute to his honesty of purpose and skill in the treatment of all chronic diseases for men and women.

Dr. Freeman charges nothing for his candid opinion of your case whether you treat with him or not. Hours: 10 a. m. to 3 p. m. and 6 to 8 p. m.
