

**FATHER KOENIG'S NERVE TONIC**  
 A Missionary Recommends It Heartily.  
 St. Paul's Mission, Chicago, Ill., Nov. 12, 1914.  
 Father Koenig's Nerve Tonic is wonderful in showing results in any nervous disease caused by nervous debility or over exertion. Those children of my school had falling sickness, the use of the Tonic stopped the paroxysms of these and cured them. In all cases of weakness it strengthens the system without fail. I recommend it most heartily. **FRANK KUBERWELLS, S. J., Superior, Ill., Oct. 24, 1914.**  
 Father Koenig's Nerve Tonic is the only medicine that I believe one of our students who was suffering from nervousness and sleeplessness for ten years, we also recommended it to many others and it always had the desired effect. A lady in Ohio was suffering from epileptic fits for seven years and found no relief, until she used Father Koenig's Nerve Tonic; three bottles cured her entirely.

**FREE** A valuable book on Nervous Diseases and a complete list of all the medicine stores in the city. This remedy has been prepared by the Rev. Father Koenig, of Port Wayne, Ill., since 1860 and is now under the direction of **FRANK KUBERWELLS, S. J., Superior, Ill., Oct. 24, 1914.**

**Deafness Cannot be Cured**  
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional means. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it swells and accumulates around the middle ear, and when it is finally closed, deafness is the result, and unless the inflammation is taken out and this tube restored to its normal condition, hearing will be lost. It is a secret, but cases out of ten are caused by catarrh, which is nothing but inflamed condition of the mucous surface.  
 We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Sent for particulars, free.
