

A Missionary Recommends It Heartily.

St. Paul's Mission, Rochester, N. Y., Dec. 12, '90.
 Father Koenig's Nerve Tonic is wonderful in showing nature's way over various diseases caused by nervous debility or over exertion. Three children of my school had falling sickness, the use of the Tonic stopped the paroxysms at once and cured them. In all cases of weakness it strengthens the system without fail. I recommend it most heartily. FRED EBERHART, S. J., Missionary, St. Paul's Mission, Rochester, N. Y.

OUR CARPET DEPARTMENT

In a world of life and activity. Our carpet manager thinks he secured an advertisement in every piece of goods when the selections were made, and then added an effective climax when the prices were marked. One thing we are very sure of and that is that we have never before been able to offer such good values in floor coverings as at present. We also secure the most choice patterns from the manufacturers of the most reliable goods. From the comments of shoppers and from the large sales made, we have reason to believe we have been successful in this, but we would like your opinion and would be glad of the opportunity to show you the low and beautiful patterns.

We believe that after looking you will agree with us that now is a most favorable time to give your home a touch of elegance and comfort by judicious selection from our large stock of Carpets, Mattings, Linoleums, Oil-Cloths, Rugs, etc. It is hard to say whether our style or prices offer the greater attractions. As to prices, we are selling extra super C. C. Ingrains at 50 cents a yd., art square from 100 to 150 Moquette Rugs, \$1.00 and the 95" Anna Matting at 10 cents, etc., etc.

Deafness cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, no cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

A Remarkable Offer.

MONEY REFUNDED BY DR. FREEMAN IF HE FAILS TO CURE ANY CASE HE ACCEPTS FOR TREATMENT.

To make this remarkable and unprecedented offer to sufferers from Chronic Diseases, requires accuracy of diagnosis and a system of positive medication hitherto unknown in the medical profession. It is not made on the spur of the moment with no idea of its fulfillment, but is the result of years of vast experience and scientific research. It means just what it says: If you suffer from any Chronic Disease, and have spent years and a fortune trying to regain your health and have failed, do not give up and say to yourself, "there is no help for me," but go to DR. FREEMAN, 105 Franklin St.

If your disease is curable he will accept you for treatment. If incurable he will frankly tell you so. If he accepts you for treatment and fails to cure you he will refund all money paid him. This guarantee holds good in the following diseases: Catarrh, Dyspepsia, Rheumatism, Bronchitis, Ulcers, Asthma, Seminal Weakness, and diseases of the Blood, Skin, Lungs, Kidney and Womb. If sufferers from these diseases present themselves for treatment, before Jan. 15th, 1895, Consultation Free. Hours, 10:00 a. m. to 3:30 p. m. and from 6 to 8 p. m.
