The Carrying of the Cross at Funerals clearly and treety made said Vindicated in the Municipal Council of Rome.

Triumph of a Catholic Crator.

ROUS, ITALY.

Some months ago I spoke of a so called convent scandal at Napies of which the Anti-Olericals were makof its details both in printed articles and highly-coloured illustrations. Catholics from the beginning believed in the innocesse of the nur in question, though they had for the Mass. He received his theological meantime to await the full executathe mother house of the Sulpicians in Superiorses of the Retire det SS. Gluseppe & Toress of Naples. She was accused of having alded in the corruption of Salva Palmieri. The nun was, however, arrested and thrown into prison, while the Anti-Ulericals paragons themselves of every virtue, filled the air with Boud Fitzpatrick; consecrated in 1866 ories of indignation. The mother of being consecrated by the late Arch. the girl in question corroborated the in the Municipality. bish-p, afterward Cardinal MoClos accusation. The case was carefully it wasted from the key, assisted by Bishops Longhlin, tried, and the result has been the Byddle Ruspoti the softenting decision that the innocesses of the of a metropoliton see, and Bishop it was, therefore, decided that no penal process can be made against the nun Maria Teresa, since the oriminal acts attributed to her have been Sentencel. The fact was was ordained as priest, there were ordered that a report of the case be-New Hampshire, Vermont, Rhode the institution of a process for sel I sold the Ufficial Island, Maire and Connecticut. To umay against fill ve Palmieri and her on there are 400 priests, 179 mother. I take a just pleasure in to small the way the Anti-Clerical journals, which re- 7 did not know what the castly spoke so much of this spendel, and make such bitter investives externs, while pie against muss in general, have now upon the hour refused to make known the that that Ore she is immoved to Buck is the justice

> of Anti-Clericals. o The shameless notion of the autielaricals at the funeral of Resea when he opposition to the wishes of the family of the deceased they endesvored to tear the Cross down from the top of the hearse and finally sovered it with the flag of Giordana Bruno and with flowers, was happly not destined to pure unnoticed. The incident was brought under the notice of the Municipal Council of Rome by the Consigliers Couts Santuoclin a noble speech, of which I give the following parts:-

The Cross placed upon the hearse of Hoseo with the express desire of an acres would the family was at the last moment to there covered by one who, rightly or critical sightly and wrongly, said that he represented the mid the last wish of the family, with a part febrillarity banner which according to the mind an one comme of him who used it could but repres- millown of the March ent the denial of the Oross. All this allowed to dear sister, Miss Julia, who is a teacher in happened in public, amid the shame heares. less applause of a little group of The anti-me prepotentl, under the eyes of all the in state duties and purole authorities and in a funeral Telegraph of the which was made by the care of said articles upber At the expense of the Communa According to the sales Hence the indignation which was actions of a filled arroused amorig persons of all rents not been see without distinction of party, so that organ forgotte. to-night I feel that I am interpreting Makes and seed not only my own sections to and said upon the standing those with whom I have many ideas at the standing to the said of the sa in common trut those of all the city But says will zens of Rome.

This fact was a deep and a public offence to religion and to the Rosses Falth, since it were useless to show that the Cross is the most secred and renerated symbol of our Path. It was an offence to divilization, since former workers to solver one not be blotted out, and these significant conturies are marked by me meany contests and victories of divilination over perbarism is the name of the Cross, Hence, they that are hostile to the Cross, or through shame of it cover it with a veil, do not represent true civilisation but berbarity-the barbarity of those times in which the Cross was an ignominious instrument of execution and notal symbol of civilization and giory as It is so-

will of the family, to the poor widow and her there children, a will which i print Eat the hears of the deceased should be pursu the supreme solace of the Cross I know that certain m of unti-clerical olecies mass they interpreted the meatines Rosen better than bis without children. But can it be that externs in the gules of the of the dead man should wall their weakes for those of the fr No! The family slone has the m right to interpret the laterable the deceased with remark to h wral, else free scops would be to confunion and violence of ideas, too, were held by Books he miles the office which is so with pathill funerals, and I
