What is Going on in the Various Parishes.

## HOLY ROSARY.

Last Sunday being the first Sunday of the month, there were two masses, one at 7:30, the other at 9 a. m. Both were largely attended, there being a number of communicants at the early mass. At the high mass, which was celebrated by Rev. J. G. VanNess, the choir rendered the music in excellent style under the leadership of Mrs. Hennessy.

## THE CATHEDRAL.

Rev. A. A. Hughes preached an eloquent sermon at the high mass last Sunday on the gospel of the day. He dwelt particularly upon the literal fulfillment, within forty years, of Christ's prophecy that not one stone would be left upon another of the then proud city of Jerusalem, and warned his hearers that if they did not lead godly lives that in a few years they would be destroyed forever.

The Rosary Society met last Sunday afternoon, also the Young Ladies' Sodality of the Blessed Virgin.

The masses on next Tuesday, the feast of the Assumption, will be at 5:30 and 7, and high mass at 9 a. m. Vespers and benediction at 7:30 p. m. Confessions will be heard Wednesday evening.

The women and girls of the parish will receive communion on Sunday, the 25th, and the men on September 1st.

Some of the most prominent members of the parish have been called to their last rest since January 1st, 1895. The "Cathedral Calendar" says:

"Since January 1, 1895, we have been called upon to chronicle the death of 61 adult members of the Cathedral parish. Among them were several who have belonged to the parish for nearly, or quite, half a century. Of the older members who have died during these months, the two that will be most missed by the congregation are James O'Donnoghue and Bernard O'Reilly. Each had been identified with every important work of religion and charity since his advent to the city—the one in 1828, the other in 1849. Both had been associated for years with St. Vincent de Paul's Conference, and each served several terms as its president. Both were genuine types of the Irish Catholic gentleman."

## ST. MARY'S.

Further gifts for the beautiful chapel of the convent of Mary have been received; a sanctuary lamp in memory of Miss Nora McIntyre and four Munich windows from Mrs. Cunningham, Mrs. John E. Waters, Mrs. Emmott Craig and Dr. Brennan. The window given by Dr. Brennan is in memory of his departed wife, Mrs. Susan Graham Brennan, of Indianapolis, daughter of the late John Graham, and a former member of St. Mary's Church. Ten more windows are hoped for, and they will undoubtedly be received, as have those above mentioned, without solicitation. The new hangings and rugs in the sanctuary harmonize with the grounding of the frescoes, the whole producing a most restful and devotional effect. The expense of the renovation and improvement is \$2,000, a sum most worthily applied.

## ST. MICHAEL'S.

Mrs. Doretta Maier was presented a handsome gold badge by branch 104 L. C. B. A. of St. Michael's parish Monday evening, for bringing in the largest number of members.

Capt. J. P. Freund Pleasantly Surprised. Wednesday evening the Knights of SS. Peter and Paul assembled at their headquarters to the number of fifty and under the command of Lieut. Ferd. Roesser marched to the residence of their captain, Joseph P. Freund, escorted by Minges' Military Band; there on behalf of the Knights Judge Advocate John P. Smith presented to Capt. Freund an elegant easy chair. Capt. Freund was taken completely by surprise, and thanking the company for their kindness invited the Knights into his house, where an enjoyable hour was spent. On the way the company halted at the residence of Rev. F. H. Sinclair, D. D., and Engineer Rudolph Vay, while the band played a serenade.

## McGahan-Reuten.

At 9 o'clock Wednesday morning was solemnized the marriage of Albert George Reuten and Mary F. McGahan, daughter of Mrs. F. McGahan Wallace. The ceremony took place in St. Mary's Church rectory, Rev. J. P. Stewart, the pastor, officiating. Only the immediate relatives and friends were present. Mr. and Mrs. Reuten left after the ceremony for a trip to the Thousand Islands. They will reside in New York city, where the groom is located in business.

# A Pretty Reception.

The residence of Frederick S. Minges, at the corner of East Main and North Goodman streets, presented a very festive appearance Wednesday evening, the occasion being a reception given by Mr. Minges to the friends of his two daughters, Miss Tillie Minges, who last month was graduated from St. Mary's Institute for Girls, at Prairie du Chien, Wisconsin, and Miss Jessie Minges, who will complete her course in the same school next year. Miss Minges has been taking a three years' course at St. Mary's school, and her friends, to the number of fifty or more, gathered at her home and showed their pleasure in having the young graduate with them again in more ways than one.

The large lawn was made very pretty with Japanese lanterns, and under the trees were placed tables, where the young people had the best kind of a good time. The evening closed with the dancing programme and passed quite too quickly. A stringed orchestra rendered a charming musical programme. Miss Jessie Minges will resume her studies at St. Mary's next fall.

## C. B. L. Picnic.

About five hundred members of the local Councils C. B. L. enjoyed their annual outing at Long Point, Conesus Lake, Thursday. It was an ideal day for an outing, and the trip from the railroad to the Point was delightful. Arriving at the Point at 10:30 Captain Nolan and Whitman proceeded to organize their base ball team, this being the first number of the sports. The game was finally started with Nolan men at the bat, and when they were finally retired they had scored three runs. It was Captain Whitman's turn now, and when his side was retired the score was 11 to 8 in favor of Whitman's side. The balance of the game was more interesting, and at the end of five innings the game was won by Captain Nolan's nine; score 26 to 15.

The features of the game was the terrific batting of John Reddington and the work at short stop by John Fee, the pitching of John Kinney in the first inning was of the up-to-date quality, and had he received good support, the score might have been different.

After dinner the races were started, and each race was won on its merits, and prizes awarded to the victors.

After all the numbers of the programme had been run off, the band, headed by the procession, marched to the speaker's stand. Judge Kinney was the first speaker, and after a few remarks he introduced John Leach, who has just returned from Europe. He told us all about his travels, and how well he enjoyed his trip, and in conclusion thanked the President for calling him to the stand. Brothers Joe Henry and Louis Heindel were the next speakers, and both covered themselves with glory.

At 5:30 all who wished to boarded the steamer and were taken for a ride to the end of the lake. At 6:30 all were on board and started for home. Good time was made by the train and the picnicers arrived in the city at 8:30. Great credit is due the different committees for the manner in which they attended to their duties.

## The Richest Man in Rochester.

Is the man who has good digestion and a clear conscience. Nothing aids digestion more than the extract of the richest grains that grow. The distillations from rye or corn are Nature's focused strength, and when they are not adulterated they are invigorating and harmless. The twenty or more brands of pure distilled rye that Josiah Newman carries in stock at No. 30 South St. Paul street gives one a splendid opportunity to prolong a happy existence.

## A Narrow Escape.

What might have been a fatal accident occurred Wednesday afternoon at Irondequoit Bay. Two young women who were in attendance at a picnic, attempted to row across the bay which was rather rough. When near the marsh island, a small canoe and the young ladies lost control of their boat. Louis C. Bennett of No. 24 Weld street, seeing that they were helpless in such a storm, jumped into his boat and rescued the wet and thoroughly frightened women. It was a narrow escape, and Bennett's quick wit and prompt action was all that saved two lives.
