DR. GRADY

Has adopted this plan. That he will charge nothing for advice, consultation or treatment until the patient pronounces himself well.

His success is no longer a subject of doubt. 490 Patients under Treatment, 212 turned away pronounced incurable.

SOME TESTIMONIALS

are coming in from patients, and may be seen at the doctor's office. Dr. Grady has proved beyond a doubt that the many so-called helpless chronic and incurable diseases can be cured by using proper remedies in time.

Read the Following and be Convinced.

Miss Nellie Walsh, cross eyes all her life. Dr. Grady operated on them and they are now perfect.

Miss Lucy Hill has been sick eight years; five doctors failed to cure. Dr. Grady gave her medicine and she passed a tapeworm fifty-three feet long. May be seen at doctor's office.

Edward Lyons says: I commend my testimony to that of many others, viz., that since I have been under your treatment I have been wonderfully relieved, and such confidence have I in Dr. Grady that I have sent my relatives to him for treatment.

Henry Cross, tumor, also Mrs. Kennedy, superfluous hair all over face, both removed in one week by electricity without pain.

The names of many others cured have been withheld by special request.

His success in many specialties is something wonderful, and the crowds that daily seek his office but attest the truthfulness of his claims to cure all cases that are curable by human skill.

Having all the approved instruments for examining and treating disease, he is enabled to effect cures where other physicians, who do not possess the necessary aid in ascertaining the exact condition of the patient, fail. Special attention given to

CHRONIC DISEASES

and so-called incurable diseases. The following are some of the diseases cured by his treatment when other methods fail: Dyspepsia, rheumatism, paralysis, scrofula, catarrh, weaknesses of every description, diseases of the lungs, throat, skin, kidneys, liver, stomach, bladder, heart, spine, nerves, bowels and urinary diseases.

Nervous diseases, loss of memory, nervousness, debility, pimples, blotches, etc., treated successfully by an entirely new method of practice. Piles, fistula and all diseases of the rectum cured without the use of a knife or pain. All surgical operations performed in the most successful manner.

Electricity applied to cases requiring it, and with the latest improved electrical appliances.

An extensive experience in private practice and in the wards of the largest hospitals in this country and in Europe enables him to treat the above and all other diseases with remarkable success.

LADIES who are suffering with complaints peculiar to their sex can consult the doctor with every assurances of a speedy relief and permanent cure without being subjected to the embarrassing procedure of an examination, which in most cases is unnecessary.

Visits made to patients after office hours.

Patients at a distance successfully treated by mail; all letters promptly answered; inclose stamp.

Dr. Grady will deliver his popular lectures early in September, when a notice will be given in the papers.

The doctor will remove one Tape Worm free of charge, also straighten the first case of Cross Eyes that presents itself at the office free.

Cancers and Tumors removed without pain or the use of a knife.

Consult the European Specialist on all sexual, nervous and chronic diseases.

At a meeting of Branch 170 C. M. B. A. the following resolutions were adopted:

Whereas, the hand of death has again entered our ranks and removed from our midst our brother, John Murray. While we know that such was the will of God to which we submit, this branch hereby gives expression to the great sorrow felt by its members on the loss of this faithful member and good friend. Brother Murray has been a member of this branch since its organization, two years of which time he well filled the office of Recording Secretary.

Resolved, That in the death of Brother Murray, Branch 170 has sustained a loss which we deeply deplore. His mild and friendly bearing, his strict integrity, rigid honesty and faithful performance of his religious duties, will furnish us all an example to emulate and copy. He did to others as he would be done by. In his death the church has lost one of its most faithful members, and the community a good and upright citizen. Feeling as we do we can fully appreciate what affliction his sudden death brings to his family, to whom we extend our most heart-felt sympathy and condolence.

Resolved, That our charter be draped in memory of our deceased brother for a period of thirty days, and that these resolutions be spread upon the minutes and a copy transmitted to the family of the deceased and published in the CATHOLIC JOURNAL and the Ontario County Journal.
