The following resolution was recently adopted at the meeting of the Mobili Guardiana, under the prestdenoy of Mr. M. Reynolds, V.C. "Resolved-That from the decrease in the population and in the number of paupers, it has become manifestly unnocessary to maintain at such enormous cost the existing number of workhouses in Ireland; that we therefore call on the Local Government Board to dayles a scheme of general amalgamation which, while providing ample accomodation for the poor, will relieve the retepayers of a somelderable part of the present taxation. That we earnessly call the stention of the Local Government Board to this argent and beneficial

tervining stations. The develop- | sie Derwin. ment of the local factory, under the ruidance of the Rev. Mrs. Morrogh Bernard, Superioress of the Convent. has been extraordinary. The exhibision was opened at half-past one o'clock, and speeches were delivered in charge of a police escort, to ane of a certain class of stone-work. by Lord Ashbourne, Lord Chancellor: the Earl of Arran, the Lord Mayor of Dublin, Mr. Horace Plunkett, M. P., and others.

ROSCOMMON.

An outbreak of typhus fever is reported from one of the divisions of Athlone Union. Two members of one family died before being removed to hospital some short time ago. A number of patients from the infected districts have been removed to the workhouse hospital.

At the last Castleren Petty Secsions, Mary Kenny and Margaret Stretch. both of Clooncrafteld, were procecuted at the suit of the O'Connor Don for wilful trespass on the plaintiff's lands, at Clooncrafield, and having refused to leave when warned off. The defendant (Mrs. Kenny) said she was a poor widow woman. and had no other place to go to, and had to so late the house from which she had been evicted. Margaret Stretch made a similar declaration. A fine of 10s and costs in each case was imposed

Is Sliga receptly, the atreet preachers, who for the previous week had remained quietly indoors, saliled forth. They had no sooner taken up their accustomed stand at the corner of Wine street and Adolaide street, a thoroughtere leading directly to the costs of the application Cuthedral, than a crowd of people, receded by a band, marched along in the corner of Wine street, and there raised such a din that the preachers were soon ellewood, and bad in retire to their lodgings at Mr. Samoon's (Post Office official), William street. During the confusion that ensued, balf a dozen stones-thrown by yeangaters—were sent flying through the air, one which cut a policeman on the eye. Mr. Carden. IAL. Sites, also received a blow of a

A serious fundally occurred recently on Mr. Barrington's ground, Pasacroe, in the county of Wicklew, a month up to almost the day of his portion of which is a steep declivity, running down to the county bourdary, between Dublin and Wicklow, thence running up another bill on the Dublin side, in the town and of Ballyman. It was caused by subsoil place. water, procumably after the late atmost continuous heavy rains. The landslip uncovered portion of the Vartry main, and caused a slight settlement, which part y forced out some of the lead joints, from which a triffing leakage escaped. As this is the meta supply of the Dublic waterworks, fears were entertained for its safety, and men were promptly set the work, stripping of the earth from the main, in order to set up the joints again, the water at no time being turned of or interfered with Earth was then packed under the elegant cabins for two hundred firstmain to bed it properly. A row of class passengers, and steerage accopiles was also driven along the side mcdation for fifteen hundred. of the main, at the bottom of the hill where the slip took place.

## MUNSTER.
